Why Won't My Child Behave?

Questions to ask yourself:

- Am I expecting too much for my child's age?
- Do I always say "No"?
- Do I tend to scream?
- Am I too strict?
- Have there been major changes in our home or lives?
- Am I under a lot of stress?

What you can do:

- Praise behavior you want to encourage
- Make sure your child understands your rules
- Limit "No's"
- Look for the reason for the behavior
- Listen to your child
- Try to understand your child's feelings
- Find out about stages children go through
- Give your child individual attention every day
- Take care of your own needs, too.

Ms. Consuelo

Happy New Year !!!! Feliz Año Nuevo!!!
Hola....My name is Consuelo Flores and I currently teach in Room 6 (toddler/two year olds). I am married to a wonderful man and have two adorable children—Lilly is 11 years old and Michael is 8 years old. I'm a SDSU alumni and hold a B.S. in Child and Family Development with emphasis in the ages of zero to five. I have been working with families and children from a very young age and my profession is my passion. I am blessed to work with the families at this center and to have such wonderful colleagues. I'm hoping to make a difference and create a solid foundation in the lives of my students.
