

Grade 1 - BLIZZARD DAY #1

Browns Valley Elementary Grade 1 E-Learning Choice Board

- Students should choose at least one activity from each subject area column (Math, Reading, Writing, Science/Social, and Specials).
- Place a check on the activities completed and have a caregiver/parent sign the bottom of the form.
- Students please return this sheet to your teacher within 2 days of your return to school.

Math	Reading	Writing	Science/Social	Specials
Work on IXL for 20 minutes.	Practice the sight word flashcards.	Write a schedule or checklist for the day.	Practice tying your shoes.	PE Do a GoNoodle activity or work/play outside.
Play "Show, Draw, and Write" by drawing a facts flashcard, showing the equation (with cereal, pieces of paper, anything you can count!), and write the equation with the answer. Then, draw again!	Read three books on Epic and record which books you read.	Write your spelling words three times each.	Complete the "Be an Inventor" worksheet.	Social/Emotional Skills Build a fort with pillows and blankets to read and do your homework in. If you have siblings make one together or see who can make the best one.
Complete a math facts practice page.	Work on Core5 for 20 minutes.	Write a story with at least 5 sentences telling about your Blizzard Day.	Watch a Mystery Doug YouTube video.	Music Play a game on musicplayonline Code: 5432467
Practice math flashcards.	Read a story, newspaper, or magazine article with a family member.	Draw a picture of an animal and add labels to name at least 7 body parts on the drawing.	Work on code.org (Code Course 1) for 20 minutes	Art Finish the picture. Use your imagination to finish the picture.

Find the Mistakes! Doubles Facts

Name: _____

Can you find the 4 pugs with incorrect doubles sentences? Write them here and correct them!

My Ants

Ants have:

- 3 body parts
- 6 legs
- 2 antennae

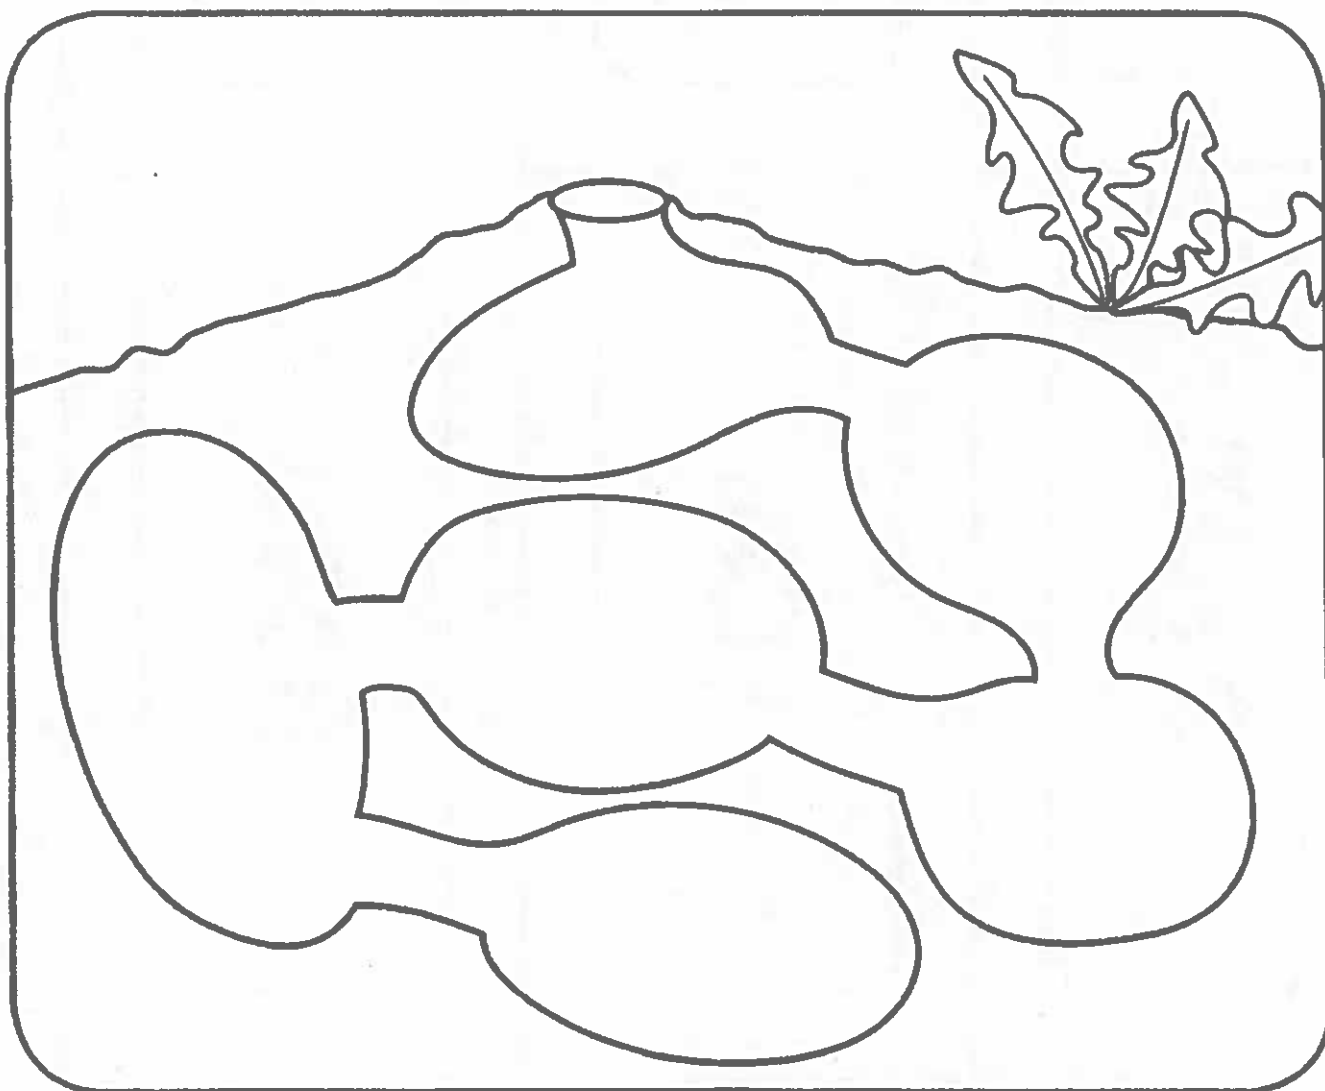

Make a fingerprint ant:

Press your finger on the 3 gray dots in the anthill below.

They are the 3 **body parts** of your ant.

Then draw 6 **legs** on your ant. Draw 2 **antennae**.

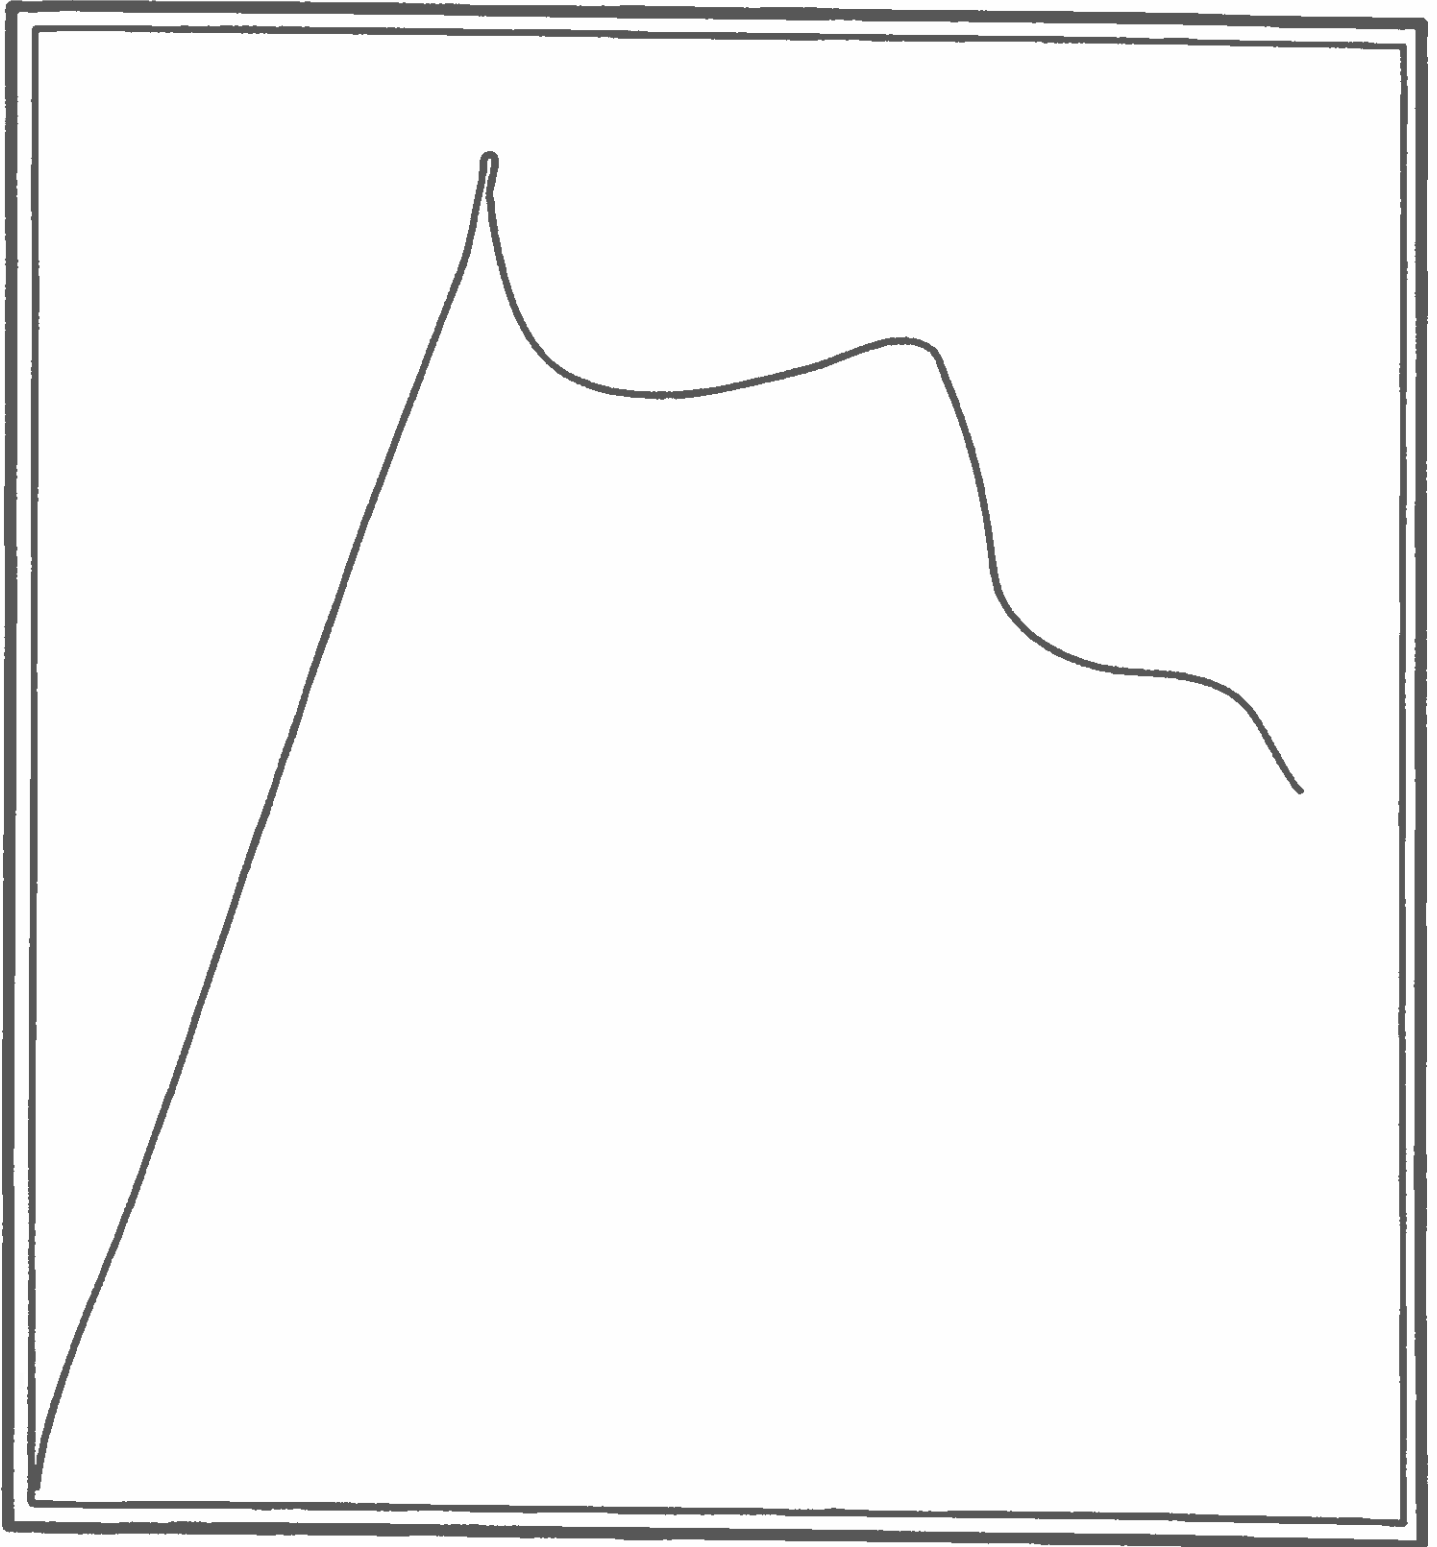

You have an ant! Make more if you like.

There are _____ cubes.

TRICKY

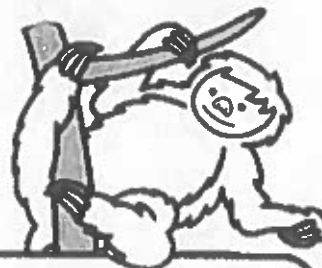

tens	ones

There are _____ cubes.

Name: _____

Sloth Experiment

Move fast, then slowly like a sloth.
How does your body change?

Predict

When I move slowly like a sloth,
my heart  will beat:

☐

more

☐

less

Test

I move fast. My heart beats _____ times in 10 seconds.

I move slowly. My heart beats _____ times in 10 seconds.

Result

My heart beat more when I moved:

☐

fast

☐

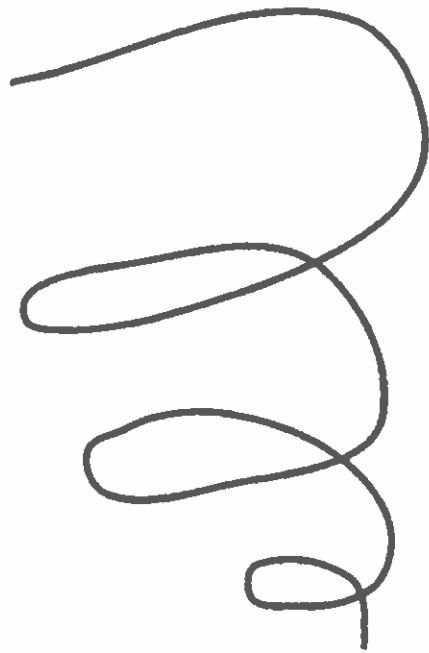

slowly

Write about it: How did your body feel when you moved fast?

Name _____
