Dear TCA Families and Friends,

TCA's Board of Directors would like to share some highlights from the May 12, 2025, meeting:

Celebrate TCA

Crowded into the TCA Board room on Monday night, we had several young TCA artists show off their handiwork. The reason? We were celebrating our students' recent success at the District 20 Art Show, Scholastic Art, and Wunderkind Exhibit Awards! TCA earned a total of 13 awards, including Best of Show in elementary, middle, and high school levels at D20. A student also received an Honorable Mention in the highly competitive Scholastic Art Competition, which drew over 5,000 entries. We also recognized a senior whose creations were selected for the Wunderkind Exhibit at Manitou Art Center. We are so fortunate to have such talented students here. What a testament to to our incredible visual arts program at TCA!

Employee Climate Survey

Ms. Marta Schulz, Director of Human Resources, shared the results of the 2024-2025 Employee Climate Survey. The report is once again positive and continues to indicate that TCA is committed to creating a positive work climate for our staff members. Despite some noted challenges, our staff recognizes TCA as an excellent workplace. Individual Principals and Directors will be sharing their school specific results with their teams to encourage discussion, celebrate successes, and formulate improvement plans where needed.

Student Fees

The Board approved the student fees schedule for next school year. The schedule can be found at tcatitans.org student fee schedule. Each campus will communicate with you sometime in August/September when the fees will be posted in Infinite Campus.

Board Statement

A board statement on biological sex and fairness in athletics was presented. It received mixed support and further discussion will occur at the May 30th Board meeting.

As always, if you have any questions, please contact us at talk2tcaboard@gmail.com.
Have a wonderful last week of school!

Thank You,

Laura Moffat
Board Secretary
