

Dear TCA Families and Friends,

TCA's Board of Directors would like to share some highlights from the April 14, 2025, Board Meeting:

Celebrate TCA

We celebrated TCA High School Students who competed on this season's Rocky Mtn Quiz Kids (RMQK) Show. RMQK is a local TV game show featuring students from local high schools competing in a tournament contest that tests their knowledge. The students highlighted the camaraderie they felt while collaborating and quizzing with one another in preparation for competition. In fact, they are looking forward to competing at Nationals in May. RMQK airs Sunday night at 5:30pm on the CW and 11:30pm on Fox 21 network. Find out this Sunday, April 20th, if TCA's team is victorious in the finals.

Parent Survey

Mr. Wes Jolly, TCA's Director of Academic Services, provided a briefing on the annual Parent Survey results. This year, our participation rate was slightly above average with 1,038 parents contributing to the figures. Overall, parents continue to be engaged in participating year-to-year in the survey, and the data we received is important for principals to determine their school's strengths and areas for growth. Parents continue to highlight the teachers and staff as the best part about TCA followed by community, academics/quality education, and curriculum. As always, there are also areas for focus, and school principals have already, or will soon be, providing feedback to their individual communities. Thank you to all who took time to complete the survey. We greatly appreciate the feedback.

Secondary Curriculum Review

Blake Galvin, Dean of Secondary Educational Philosophy, explained that an *Introduction to Economics* will be offered at the High School as an elective starting in the fall of 2025. The curriculum review committee is recommending a new textbook for this course at High School and that book will be available for parents to view and evaluate from April 15 – May 2 in the North High School office. We look forward to your input.
