

Olentangy Schools Social Emotional Learning Summer 2025 Programming

Join us this summer for engaging social and emotional group sessions designed to help students build emotional resilience, strengthen social skills, and stay connected in a positive learning environment.

The Olentangy mental health specialist team is hosting age-specific groups that offer a mixture of fun activities, guided discussions, and skill-building tools to support emotional well-being and growth. These sessions are ideal for students that thrive with extra guidance and connection during the summer months!

Groups are available all students entering 1st- 9th grade in any Olentangy school.

All groups will take place at Shale Meadows Elementary School, 4458 North Road, Lewis Center, OH 43035, unless otherwise specified.
