

PROGRAM DESCRIPTION

The Richland One Adult Education English as a Second Language (ESL) program is designed for students who want to develop their ability to *understand, speak, read, and write English*. Our students represent over 35 countries and 25 languages. Our teachers are well trained and have professional degrees in teaching ESL.

During registration a student will complete a placement test. The results of this test determine the class level. We offer classes for *beginning, high beginning, intermediate, and advanced levels*.

GED classes are available once ESL students successfully complete Level 4.

Our school (previously Watkins School) is located on *Covenant Road* between Two Notch Road and Beltline Blvd. The *bus stop* is one block away and *parking* is in the parking lot *behind* the school. Entrance is through the center doors on *Covenant Road* and the Admissions office is to the right.
