

## *Westmoore Fastpitch Softball 2025*

Good afternoon, my name is Coach Josh McMartin. Unfortunately, I am unable to attend because I am currently in Deer Creek coaching baseball for Westmoore High School. However, I did want to have some basic information available to anyone who is interested in playing softball next fall.

**First of all**, if you are interested in playing, follow the QR code below and add yourself to my roster. Once I have the ability to do so, I will add you to my Parent Square team so I can begin contacting everyone about what will be happening.

### **Meeting Date**

We will have a meeting in late April or early May about next season. It is a required meeting, but the date has yet to be determined. Tentatively we are looking at May 12<sup>th</sup>, but that is not set in stone (it could very well change). Information will be sent out to all feeder elementary schools when a date is determined. The meeting is typically held in the Westmoore Lecture Center.

### **Question/Concerns/Additional Information**

For any specific information you might need, or just for questions in general, feel free to contact me via email at [joshuamcmartin@mooreschools.com](mailto:joshuamcmartin@mooreschools.com). I'll be looking forward to meeting everyone in May, and to next fall! Also, if you have a spring/summer schedule, I could drop in from time to time on games. My son plays baseball, so I occasionally end up at some of the same complexes on the same days. No guarantees, it just works out sometimes!
