

NON-RESIDENT STUDENT TRANSFER PACKET

Applications for non-resident transfers are accepted and considered on a case-by-case basis. Each application requires the final approval by the Superintendent.

Once the Student is enrolled, a yearly review will be done in order to keep the Student's transfer status.

The following items must accompany the **ORIGINAL** submission application and questionnaire and be returned to the campus according to students' grade level. *Scanned, faxed, OR duplexed copies will not be considered.* Applications submitted must include copies of the items listed below.

TMISD does not grant out-of-district transfer requests for any of the following reasons:

- To avoid disciplinary actions in another district
- During an expulsion term of the student
- To participate in UIL varsity athletic or academic extracurricular activities
- For Pre-kindergarten or Academic Career Center

TMISD cannot provide transportation to and from the district of residence. In addition, the district will monitor the occupancy of all grade levels and the number of transfer students accepted will be determined by space and instructional staff availability.

Also, be advised that the Superintendent may deny the transfer of a student for violation of Board policy, violation of the Student Code of Conduct that results in the placement of a transfer student in the DAEP, documented late arrivals/early pick-ups, failure to maintain a 90% attendance rate (as calculated at the end of the semester) and/or failure of a course/s, and/or not performing at the "meets" or "masters" level on the STAAR assessment.

I understand that making a false statement in this document or any other document for the purpose of school enrollment is a criminal offense under Section 37.10 of the Texas Penal Code and could subject me to imprisonment for up to two years and/or a fine up to \$10,000. I further understand that enrollment of a child under false documents is a violation of Section 25.001 of the Texas Education code and subjects me to liability under Texas law for the greater of these amounts: the maximum tuition permitted by law of the cost per student budgeted by the District for maintenance and operating expenses. Finally, I understand that making a false statement in this document for the purpose of enrollment is grounds for termination of this transfer agreement.

Transfers must not create the need for additional course offerings at the secondary level. The transfer must not create the need to employ additional personnel.
- 1.4 Parent acknowledges that the constitution or rules of the University Interscholastic League (UIL) may require the District to exclude the Student from participating in certain extracurricular interscholastic competitions.
