School Description

Lillian J. Rice Elementary School is located in the southwest section of Chula Vista, approximately eight miles north of the United States/Mexico border. It is one of 49 schools in the Chula Vista Elementary School District, including charters. Rice School was built in 1938 and consists of three wings of self-contained classrooms, a media center, a multipurpose room, and administration offices. Rice School was one of 11 schools that participated in the Modernization Program during the 1996-1997 school year. Rice received an extensive modernization again during the summer of 2014. Rice School has a student enrollment of 768 students. There are 33 classrooms, Pre-School through Sixth grade. We are in our second year of transitioning into a Dual Language Immersion Program. We currently have two Kindergarten classes and two First Grade classes. Two of our classrooms (2nd and 3rd grade) offer an Alternative Bilingual Program. There are two Moderate/Severe Special Ed. classrooms in Grades K-6 and two Special Ed Preschool classes. Rice also has two Head Start classes, as well as a therapeutic preschool (Mi Escuelita) on site in conjunction with South Bay Community Services. Rice is one of three schools in the district that hosts a Family Resource Center on campus to provide social services to the school and the surrounding community. In addition, we house the Rice Clinic which supports the medical needs of our community.

Mission

Rice Elementary, an innovative, nurturing, and diverse community, raises and empowers the leaders of tomorrow on the pillars of academic rigor, personal integrity, and civic responsibility. Our mission is to support these future leaders to love to learn and to respect others through a commitment between students, parents and staff. We value the uniqueness of each child and their individual learning styles. Learning is meaningful and relevant and touches all aspects of the child's life. Our diversity is embraced and enhanced across the curriculum and is linked with the world outside of the classroom. All members of the Rice community recognize and promote the joy and importance of learning as a lifelong process. The community supports an environment which facilitates students who are respectful of themselves and others, innovative problem solvers, self-motivated and confident in their ability to achieve, responsible for themselves and others, and multilingual and multi-literate. Rice School derives strength from an active participation of community including alumni, parents, business, staff, and nearby Chula Vista High School. Everyone is encouraged and taught to be responsible for the success of our students. A variety of seminars are offered to parents/care givers to become more effective. The Rice School community is committed to creating a safe, clean physical environment that is aesthetically inviting and supportive of learning for all students. We plan to create a dynamic learning environment that supports and encourages excellent teaching and educational growth to our staff, students, and their families. The Rice School Community is dedicated to nurturing our students as our most precious resource and our future leaders.

Vision

Our vision is to provide a modern learning environment that allows students and staff to express their knowledge, talents, and skills through meaningful and relevant experiences.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The Chula Vista Elementary School District follows the State's curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District's school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards.. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District's vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

School Facility Conditions and Planned Improvements (Most Recent Year)

Classroom space at Rice Elementary School is adequate to support our school's current enrollment. The District maintains a planned program, which ensures routine maintenance functions are performed on a scheduled basis. Rice School's custodial staff performs basic cleaning operations daily.

During the summer of 2014, Rice School went through an extensive modernization process through the passing of Proposition E Chula Vista Elementary School Bond. Improvements were made to classroom interiors, flooring and carpeting, rest rooms, electrical wiring, heating and air conditioning units, handicapped access, technology upgrades, a new shade structure for the lunch tables and fire alarm/communications/telephone systems. Additional improvements included new furniture, cabinets, sinks and an enlarged main office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	50.0	53.0	62.0	65.0	48.0	50.0
Math	34.0	39.0	49.0	51.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Contact person: Rosa Gonzalez

Phone Number: (619) 420-7071

Research shows a high correlation between parent involvement and effective schools. We encourage and promote parents to visit and become involved in our school. Rice School has an active Parent-Teacher Association. The PTA sponsors many projects for the benefit and welfare of our children and the community.

The School Site Council is comprised of parents, teachers, and school staff responsible for the implementation of our School Plan for Student Achievement.

The English Learner Advisory Committee (ELAC) invites all parents to actively participate in the education of their children by attending monthly meetings focused on the academic needs of English Learners.

We also have additional committees available for our parents to participate. These include our Wellness Committee, STEAM Committee, School Safety Committee and the GATE Advisory Committee.

Please call 619-420-7071 if you would like to get involved in school activities. Spanish translation is available.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The school safety plan is updated each year with input from parents, staff, and the Chula Vista Police Department. The school safety plan was updated in approved by the School Site Council in September 2018. Emergency drills are conducted on a regular basis. These include Fire, Lock-Down, Shelter in Place, Secure Campus and Earthquake Drills. Members of the Response Team receive Emergency Response training to ensure the safety of all staff and students in the case of an emergency or natural disaster.

Professional Development provided for Teachers

Each year targeted professional improvement activities are provided for teachers, instructional assistants, and other staff members. Activities reflect the school's goals and objectives and are part of our School Single Site Plan. Bi-monthly opportunities exist for teachers to meet together and collaborate in the area of instruction through our Professional Learning Communities (PLCs). In addition, Professional Development opportunities take place during weekly staff meetings. Professional Development topics include:

Year 1:

English Language Arts: STORM Enterprise program, vocabulary acquisition (K-6), best practices for student engagement, Checking for Understanding, Providing Feedback, Journal Writing (K-1), 4T's, 4E's (2-6), Constructed Response Training, Text-dependent prompts and deconstructing prompts, Achieve3000 Support, Accelerated Reader, Guided Reading
 English Language Development (ELD): GLAD Training (Module 1)
 Math: GoMath Training, 8 Mathematical Practices, LESH Model, Unpacking Math Standards (CCSS)

Year 2:

Comprehension Standards Implementation Charts, Continue STORM Coaching from Year 1 implementation
 GLAD Training (Module 2)
 Math: Continue GoMath Training, 8 Mathematical Practices, LESH Model, Unpacking Math Standards (CCSS)

Year 3:

Based on District Local Measures and CAASPP Results continued coaching and feedback will be provided in the following areas with the support of STORM Coaches, Site Resource Teacher and District Math Resource Teacher. In addition, quarterly progress monitoring will monitor English Learners and Student with Disabilities Target Groups:

Explicit Direct Instruction
 Instructional Strategies - Student Engagement, Questioning Techniques, Checking for Understanding (STORM Instructional Strategies)
 Data Analysis on Common formative Assessments in math and language arts
 Accountable Talk
 Instructional Routines in math
 English Language Development
 Classroom Learning Environment
 Response to Intervention and Differentiation Strategies
 Writing Across the Curriculum with strategies from STORM and San Diego Area Writing Project
 Vocabulary Development (Wilda Storm)
 Rigorous Curriculum Design (RCD)
 Eureka Math and GoMath
 8 Mathematical Practices
 Cognitive Guided Instruction in Mathematics
 ELA and ELD Standards
 Physical Education- Heather Cruz
 Restorative Practices and Mindfulness Practices
 Parent Participation- School committees; Supporting students at home

Types of Services Funded

To help ensure the quality of education for all students, state and federal funding is provided to Rice School to supplement the core instructional programs provided by the school district. Services at Rice School include:

- GATE (Gifted and Talented) Title 1, Part A (Targeted Assisted/Educationally Disadvantaged Students)

Title V (Innovative Programs)

EIA (English Learners and Disadvantaged Students)

South Bay Community Services (New Directions Family Resource Center)

Supplemental services provided through categorical funds include:

Part time collaboration teachers for Theater, Dance, Drama

Full time Music Teacher

Library Technology Technician

Instructional Assistants, English Learners

Instructional Coach

Part time support teachers for English Language Arts

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
