School Description

Description

Vista Square Elementary is one of 49 schools in the Chula Vista Elementary School District, including charters. It is one of the oldest schools in the district. The school lies on the west side of Chula Vista. Each of the four main buildings contains four classrooms. There are 15 more classrooms located in relocatables. Vista Square has 3 Mild Moderate SDC classes and a Resource Specialist Program (RSP). Vista Square has a full-time nurse, 4-day psychologist, and 2 full-time speech and language specialists. The school site also houses the Davila Day School for the Deaf and Hard of Hearing with a total of 43 students who are mainstreamed into the Vista Square program.

Mission

The school mission at Vista Square is to:

Provide a wide variety of educational and life experiences in a safe environment encouraging active involvement and success for each child;

Teach and encourage students to respect the rights and properties of others and be responsible for their own actions;

Encourage full participation by students, parents, community, and staff in school wide activities;

Continue an academically oriented, supportive environment which fosters individual development of a positive self-image

Provide sequential curriculum and instructional methods which encourage students to reach their ever-increasing learning potential.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The Chula Vista Elementary School District follows the State's curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District's school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards.. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District's vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

School Facility Conditions and Planned Improvements (Most Recent Year)

Classroom space at Vista Square Elementary School is adequate to support our school's current enrollment. Vista Square has a set of relocatables that house a year-round YMCA daycare program, YMCA K-3 year-round program; a Stretch YMCA program, Transitional Kindergarten, a Head Start preschool, and an adult/parent classroom. There is also an additional building that houses the Davila School for South County Deaf and Hard of Hearing (D/HHS).

The District maintains a planned program, which ensures routine maintenance functions are performed on a scheduled basis. Vista Square custodial staff performs basic cleaning operations daily.

Use of the Raptor system to check in all visitors to provide safety to our campus. We are working more cohesively as a team due to better written and verbal communication and mutual respect. Our school was modernized in the summer of 2015 and students, staff and the community are enjoying state of the art equipment in an inviting learning environment.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	42.0	46.0	62.0	65.0	48.0	50.0
Math	32.0	31.0	49.0	51.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Contact person: Mayda Lizarraga

Contact Person Phone Number: (619) 422-8374

Research shows a high correlation between parent involvement and effective schools. We encourage parents to visit and become active in our school. Vista Square School has:

- Parent Club (Room parents) supports many projects for the benefit and welfare of our children's academic, social and physical growth.
- Parents may attend Workshop days and additional teacher-organized workshops which assist them in working with their own children or other students in the classroom as a volunteer or at home.
- Parents are invited to quarterly Parent/Principal Chats where issues are discussed in an informal setting. Parents may attend quarterly ELAC meetings to stay informed on all questions concerning our language acquisition programs and attendance.
- Parents are invited to join our School Site Council which meets once per month.
- Parents are critical members of the Respect for All Behavior Committee, Community Garden days, Safety Patrol Unit, Music programs and sports team support.

Many parents and members of the community volunteer in our classrooms or help with special events. Vista Square School parents serve on the School Site Council and the English Language Advisory Committee. Please call 422-8374 if you wish to become involved in school activities. Spanish and ASL translation are available.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Our adult and student norms of behavior are to demonstrate Safe, Respectful, and Responsible behaviors and are highlighted in our student morning broadcast and around the school. Student safety and well-being are promoted by activities including emergency and earthquake preparedness drills; bus evacuation drills; quarterly Respect for All assemblies & ongoing recognitions such as the student of the week;

Drug and alcohol abuse prevention education programs; child abuse awareness; Health for 4th-6th grade parent presentation and discussion; We have support groups and social-emotional co-teaching with our counselor and school psychologist. Students are part of the solution as Hall Monitors, School Safety Patrol and community service.

Adult greeters and parent volunteers are present around the school in the morning and afternoon as students arrive and exit the campus and adults are present to supervise recess and lunch. The gates of the fence around the school remain locked during school hours to ensure the safety of our students. All visitors, volunteers and substitute staff sign in before entering campus during instructional hours. Staff has received professional development in Asset building and Bullying Prevention. The School Resource Officer (SRO) is visible and an important member of our school community in prevention, recognition and addressing of infractions and attendance issues. We practice Safety First and Discipline with Dignity at Vista Square as we strive to empower students and all members of our community to create a safe, enriching learning environment. Our SSC reviewed and approved our Comprehensive Safe School Plan at our August 2018 regular meeting.

Professional Development provided for Teachers

During the 2012-13 school year, we began aligning our instruction on the Common Core Standards. We began creating units of study in ELA. We continued our focus on reading comprehension. We continued to strengthen our practice in the Gradual Release of Responsibility Model. Our professional development began to incorporate engage for learning strategies and questioning strategies.

By the 2014-15 school year, our focus evolved to target Conceptual Development in Math in Gr. K-6 and Reading Foundational Skills in Kinder and Gr. 1. Teachers received professional development in the area of the use of Math manipulatives by Denise Finney, problem solving by Robert Cochran and SIPPS training by Gina Mazeu.

For the 2015-16 school year, our focus turned to Writing Across the Curriculum. Training and support were provided as follows:

1. Peer walkthroughs will be conducted on a monthly basis school-wide.
2. Weekly Goal Setting and monitoring of data.
3. Quarterly student monitoring meetings with the principal.
4. Building Capacity through our TNT Team
5. Building Leadership with PD provided by UCSD Results & Bonnie McGrath
6. Cohort Collaboration
7. Go Math Training provided by the district
8. Achieve 3000 & SIPPS training provided by the district
9. Wilda Storm PD and Coaching model

For the 2016-17 School year our focus is on Writing Across the Curriculum. Training and support will be provided as follows:

1. Peer walkthroughs will be conducted on a monthly basis school-wide.
2. Weekly Goal Setting and monitoring of data.
3. Quarterly student monitoring meetings with the principal.
4. Building Capacity through our TNT Team
5. Building Leadership with PD provided by UCSD Results & Bonnie McGrath
6. Cohort Collaboration
7. Go Math Training provided by the district
8. Achieve 3000 & SIPPS training provided by the district
9. Wilda Storm PD and Coaching model

For 2017-18 School year our focus is on Vocabulary, Collaborative Conversations and Short-Constructed Responses in addition to implementing Restorative Justice Practices to align ourselves to the district focus of Building Relationships:

1. With use of the skills from our Wilda Storm training we will continue to implement the 4-Es for student responses
2. Our ILT will be focused on providing PD in the area of collaborative conversations and accountable talk
3. We will continue to focus on Vocabulary development using our Wilda Storm strategies.
4. Teachers committed to implementation of Social Emotional Learning and Restorative Practices
5. Teachers are committed to implementing Circles in the classroom to build relationships and solve conflict.

For 2018-19 School year our focus is on Listening and Speaking skills through SEL, GLAD and Collaborative Conversations.

1. With use of the skills from our Wilda Storm training we will continue to implement the 4-Es for student responses
2. Our ILT will be focused on providing PD in the area of collaborative conversations and accountable talk
3. GLAD instructional strategies will be evident in all classrooms with a laser focus on Listening and Speaking skills.
4. Teachers committed to implementation of Social Emotional Learning and Restorative Practices with added use of the Sanford Harmony program.
5. Teachers are committed to implementing Circles in the classroom to build relationships and solve conflict.

Types of Services Funded

Vista Square provides additional support for Chula Vista families by providing financial support to the Family Resource Center- Beacon Center at our campus.

In addition, we have a school nurse 5 days a week at our campus.

We have a Counselor 4 days a week.

We have an Associate Principal to support with student discipline and professional development with our instructional program.

We have a part-time Library-Technology Technician to oversee the library and technology inventory/purchases. She/he will also facilitate technology development for students, teachers and the community.

Collaboration resource teachers were hired to provide Character Education, Music & Physical Education while classroom teachers are released to collaborate by grade level. Laptops and Apple TVs were purchased for teachers to have mobility and an interactive format for more engaging teaching and learning.

Licenses and upgraded computers were purchased to provide differentiated practice support in reading comprehension, math and language development for English Learners through computerized differentiated practice programs such as the Accelerated Reader, SuccessMaker, Imagine Learning, Star Fall and Achieve 3000. Licenses were purchased for these programs.

Our funding also provides support to our Safety First focus by providing student supervision before, during and after school through our greeters and recess/lunch supervisors. In addition, these staff members assist as part of our CPI emergency team, daycare during parent meetings and events and volunteer to support student-lead safety activities such as safety patrol.

We support technology by hiring our technology consultant who upgraded our computer lab and classroom computers and continues to work collaboratively and diligently to develop our next steps as we continue the transition into making the 21st century education technology available to all students. We purchased 10 iPad for small group and teaching use and Apple ATV's to for group, independent and whole group instruction learning technologies in the classroom. Vista Square is participating in the partnership with the San Diego Youth Symphony to provide music instruction for Kinder to 6th grade students.

With the introduction to the new state standards, we have purchased materials and books and provided professional development to develop common core-based strategies and pedagogy.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
