School Description

Silver Wing is one of 49 schools in the Chula Vista Elementary School District, including charters. Silver Wing was built in 1968 and it was remodeled in 2003. Silver Wing is comprised of one main building composed of administrative offices, cafeteria, library, auditorium, multipurpose room, and 20 classrooms. %v our students are Hispanic/Latino. More than one half of our students have a first language other than English and are classified as English Learners. Silver Wing is a Provision 2 school, with 100% of our students receiving free or reduced lunch.

Mission and Vision

The Silver Wing Elementary School community values the contributions of each stakeholder. Honesty, trust, mutual respect, personal responsibility, individual effort, and accountability are values that we believe are the foundation of a safe, pleasant, and stimulating learning and working environment.

The Silver Wing Elementary School community is committed to creating a challenging and nurturing learning environment where all people are valued and respected. We believe that the diversity Silver Wing brings is our strength. Through the cooperative efforts of the community, students become high achieving, innovative thinkers socially responsible citizens. We take pride in developing each child's full potential.

We are a community of learners. Learning is seen as a lifelong process that is meaningful and relevant to our changing world. The community is dedicated to ensuring a love of learning that challenges the status quo and embraces a technological world. The community envisions generations of children instilled with hope for their future.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The Chula Vista Elementary School District follows the State's curriculum cycle to adopt updated, high quality textbooks and related materials. The evaluation and adoption of textbooks and instructional materials is based on recommendations by committees of our District's school staffs and community members.

Students are provided with an adequate supply of Board-approved textbooks for all subject areas. The reading/language arts and mathematics curricula are aligned with California Common Core Standards.. All of our students have access to textbooks and supportive instructional materials in all core subjects, which are in good condition. Core materials are available in both English and Spanish. An inventory of books is warehoused centrally for growth needs at the schools.

The District's vision is to prepare students to succeed in the 21st Century and is committed to providing students with 21st century tools, and the necessary infrastructure to support said tools. The District also invested in software applications to assist with formative and summative assessments, literacy skills, mathematics and language acquisition. In addition, teachers are integrating technology tools to facilitate day to day tasks such as attendance, report cards and electronic communication.

School Facility Conditions and Planned Improvements (Most Recent Year)

Classroom space at Silver Wing Elementary School is adequate to support our school's current enrollment. The District maintains a planned program, which ensures routine maintenance functions are performed on a scheduled basis. Our custodial staff performs basic cleaning operations daily. Silver Wing is proud to consistently rank in the upper tiers of school cleanliness and there is consistent follow up in making sure school grounds are always clean, presentable and to ensure our school is one that all students will be proud to assist on a daily basis. Customer service is key and a crucial component in opening our doors to our community. We take pride in making sure all stakeholders are treated with the proper attention, courtesy and respect.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	55.0	57.0	62.0	65.0	48.0	50.0
Math	48.0	42.0	49.0	51.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven

Students with Disabilities	20	18	90.00	11.11

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Contact person: Principal M. Theresa Corona

Contact Person Phone Number: 619-423-3950

At Silver Wing, we agree with research that has proven that the most effective schools in the United States are schools that have a high degree of family/parent and community involvement in their school programs. We encourage parents to visit Silver Wing often and to become active in our school program. Silver Wing Elementary School involves parents in various ways, such as the School Site Council (SSC), and an English Learner Advisory Committee (ELAC). The parent and community members of these organizations participate in many projects and programs that benefit the students, staff and families of the Silver Wing community. Parents are also encouraged to participate and be informed about their child's school and educational well being through our Coffee with the Principal and parent curriculum nights.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Student safety and well being are promoted by activities including fire, emergency/disaster, earthquake, and evacuation drills, which are conducted on a monthly basis. Playground safety is promoted by ongoing supervision by the principal, classroom teachers, noon duty assistants, and custodial staff. Parent workshops focusing on parenting skills for effective child-rearing practices, parent-child engagement, and family involvement to promote student safety are provided when requested by parents. Silver Wing has focused on bringing support groups for our students in the upper grade to focus on social needs and awareness of making positive choices on tough decisions.

Silver Wing has established a Positive Behavior Intervention and Support program, where a responsible, respectful and safe environment is fostered and encouraged through a variety of programs. Data is taken on when and where behaviors are occurring that need to be addressed.

The School Site Council approved the School Safety Plan and it was shared with the staff in October of 2018.

Professional Development provided for Teachers

Silver Wing staff has participated in various professional development opportunities to ensure teachers are best prepared to meet the needs of all our students. Silver Wing staff have attended professional development aimed at moving rigorously towards our instructional focus in collaborative conversations and discussions. Teachers will continue using Achieve 3000 and the Imagine Learning English software programs to meet the needs of our English Language Learner population. Professional Development is delivered by the District Resource Teacher, staff and principal during weekly staff meetings. Teachers receive on-going support during weekly collaboration meetings with their respective grade level. Additionally, the Resource Teacher provides modeling and 1-1 coaching.

Types of Services Funded

Silver Wing provides programs and supplemental services that are available for the community. The site supports one Physical Education Teacher and one Art Teacher. This team assists informing teachers on intervention strategies for students with academic, social and emotional needs and also assisting with early intervention strategies for our students.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
