

Summer Work Challenge

Welcome to Kindergarten! Mrs. Maas and Ms. Viti are excited to have you in our class next year. To keep your brain strong and have everything you need to be successful in kindergarten, we have prepared summer learning options for you to practice your math, reading and writing skills. Read the instructions for the Math Challenge, Reading Challenge, and Writing Challenge.

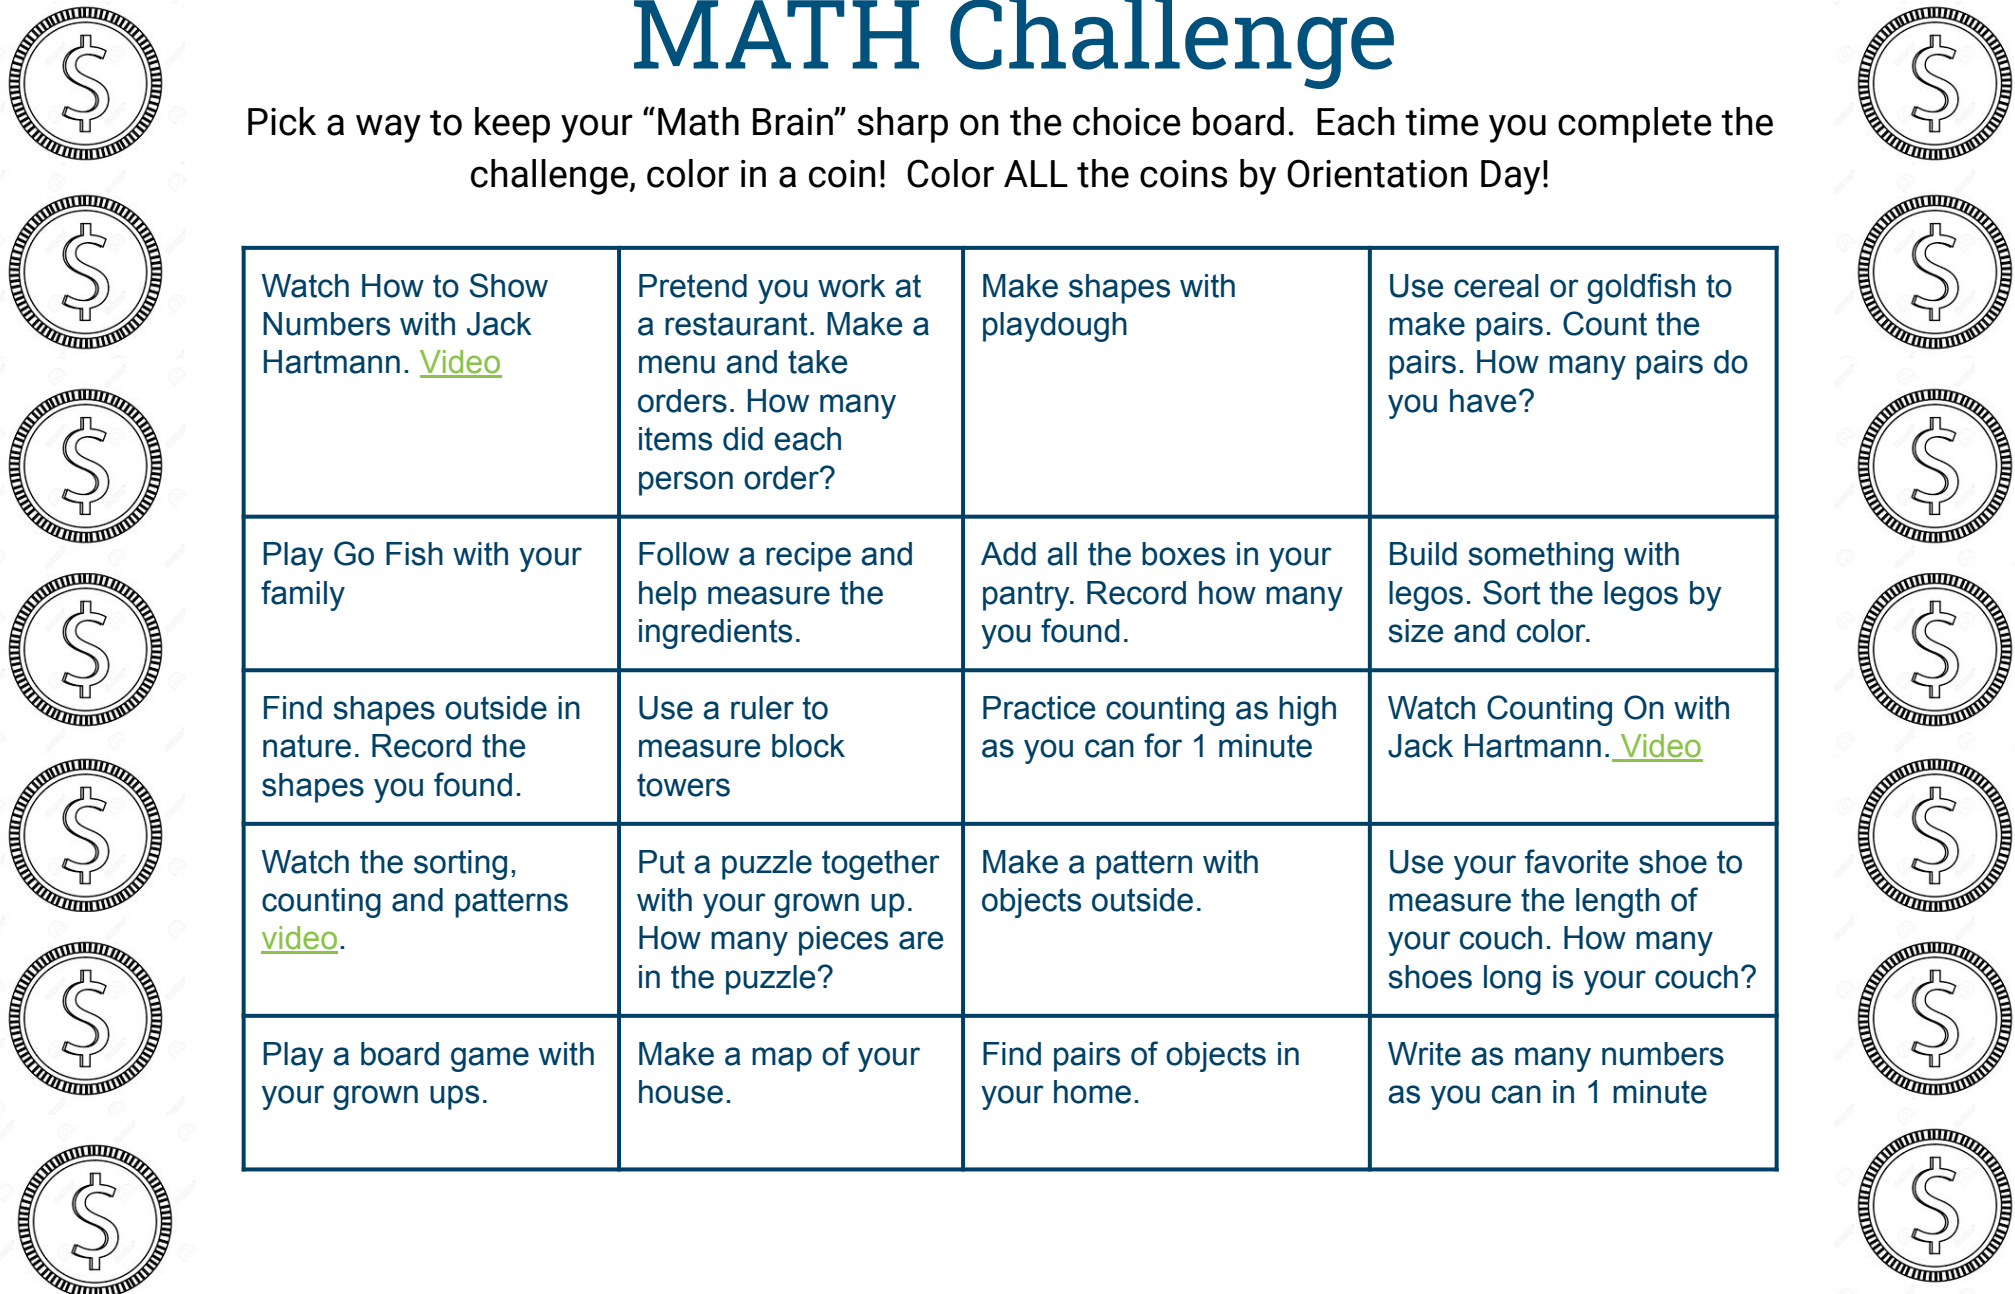

Make sure to color ALL your coins and return the challenge pages along with your most accomplished piece of writing on Orientation Day.
