

### 2022 High School Advanced Placement (AP) Results

A variety of advanced studies courses is offered to students at the high school level. In addition, Collier County Public Schools (CCPS) continues to expand advanced studies offerings at all levels, inclusive of elementary and middle school.

AP course offerings give students an opportunity to study a subject in greater depth, complete college-level courses, and potentially earn college-level credits while still in high school. The examinations are a blend of multiple-choice questions and a free-response (essay or problem solving) section, designed to measure the full range and depth of each student’s knowledge in the tested area.

Many colleges and universities use AP results as evidence of students' abilities and achievement when deciding whether or not to grant credit and/or advanced placement. Institutions of higher education in the United States may grant course credit to students who present satisfactory scores (3 or higher) on AP exams, where “5” is the highest score and “1” is the lowest.

With the recent release of AP scores from The College Board, CCPS has achieved:

- **65% of the 2022 students scored 3 or above.**
- **The number of exams decreased slightly from 4,969 in 2021 to 4,619 in 2022; a decrease of 350**

The efforts of dedicated teachers, staff, parents, and community partners are appreciated in ensuring students have multiple opportunities to pursue advanced studies in order to be College and Career Ready.

**Table 1a  
SY21-SY22 District AP Results by Year--3 or Above**

<b>YEAR</b>	<b>Total # of Exams (# of Test-takers)</b>	<b># of Exams 3 or Higher</b>	<b>% of Exams 3 or Higher</b>
2022	4,619 (2,518)	2,993	65%
2021	4,969 (2,655)	2,839	57%
