Cambridge International Examinations are provided through the Department of Cambridge Assessment, University of Cambridge. These advanced courses are designed to unlock a learner's potential by helping students develop an informed curiosity and a lasting passion for learning. Cambridge AICE assessments provide students with international qualifications recognized by the world's best universities and employers, supporting and increasing our students' College and Career Readiness.

Every year, nearly a million students from 10,000 schools in 160 countries prepare for their future with an international education from Cambridge.

The AICE exam results for the 2023-24 school year are provided in the attached tables. Overall, 68% of our students passed the AICE exams in 2024, and more than 1000 more exams were administered as compared with the prior year.

“Collier County Public Schools continues to provide opportunities for students to engage with rigorous and challenging coursework as part of our District’s efforts to ensure CCPS graduates are college and career ready. I am pleased that CCPS significantly increased the number of students participating in the Cambridge AICE program, as another advanced academics pathway offered in our schools.”
