

Adaptive Fishing Camp
May 31, 2025
1:00 p.m. - 3:00 p.m.
Wallace Lake
Cost \$25
(no cost for caregiver/family member)

The Lakewood Community Recreation & Education Department is partnering with the Cleveland Metroparks to offer an Adaptive Fishing Camp at Wallace Lake in Berea.

Program Details:

- Participants will learn an overview of fishing rod parts and terms.
- Participants will understand how to hold and carry a fishing rod and other basic safety considerations.
- Participants will learn how to bait a hook and have the option of practicing. Hand sanitizer will be available.
- Participants will learn the basics of casting and/or using cane poles depending on group needs.
- Now it's time to catch some fish! Participants will learn the basics of catch and release fishing as opportunities arise.
- The entirety of the program will be outside. Participants are encouraged to dress for the weather in non-cotton layers, checking the forecast prior to arrival.
- Wear close-toed sturdy shoes or boots. Sunglasses will be available to borrow and encouraged for eye protection during fishing.
- Water will be available, but participants are encouraged to bring their own filled water bottle.
- Lakewood Recreation staff will be available/participating.

To register and complete liability waiver please go to “Camps” at
