

Coming Summer 2025 to help eligible families buy food for their school-aged children during the summer.

Who is Eligible?

School-age children who qualify for free or reduced-price meals will get \$120 each to buy groceries this summer.

This includes:

- Children who are homeless, in foster care, migrants, runaways, or in Head Start.
- Children who get public assistance like SNAP, ADC, FDPIR, or income-based Medicaid.
- Children with an approved application for the 2024-2025 school year

All other families who have a household income under the 185% Federal Poverty Level will need to complete the Summer EBT application to see if their children qualify.

How Can Schools Help?

- Families can submit an application for school meals benefits.
- Households should ensure the school has their current address and parent/guardian information.
- Families can visit KY DHHS's Summer EBT website for more information:
