# Sora

The student reading app

With Sora, St. Mary's students have a world of literature at their fingertips. Whether they prefer to immerse themselves in the words on a digital page or have stories come alive through audio, Sora provides a versatile platform for exploring the vast realm of books.

**To use Sora at home:**

1. Install the Sora app on your device or go to soraapp.com
2. Find your school- be sure to choose St. Mary's Episcopal School.
3. Enter your St. Mary's email address (first initial + last name + graduation year@stmarysmemphis.net, e.g. cdenman2006@stmarysmemphis.net)
4. Browse the Explore tab, or use the search bar to find the book you want to listen to or read.
5. Tap the book you want to read, and then tap borrow. Your book will open right away.
6. Access the books you have borrowed on the Shelf tab.
7. On the Shelf tab, use the Options button to renew or return a book. In the Options menu, you can also send your book to a device like a Kindle.

***A special note to parents:***

*We invite families to assist their daughters with their reading selections, as books represent a wide variety of human experiences.*

*Sora contains a small collection of parenting books. If you would like your own account, please contact Catherine Denman at cdenman@stmarysschool.org.*
