Center Grove High School seniors earn college degrees, certificates

GREENWOOD, IN (May 20, 2025) – Center Grove High School (CGHS) honored 155 seniors for earning college degrees or certificates through the school's Early College (EC) program during a ceremony on Monday, May 19, 2025. Through the EC program, students can take courses that earn credit toward both high school and college at the same time. Center Grove High School's commencement ceremony is scheduled for Sunday, June 1, at 11:00 a.m. in the CGHS Ray Skillman Stadium.

"The Class of 2025 marks a historic milestone for our Early College program: every graduate has earned 37 or more college credits while still in high school," said Jennifer Perkins, CGHS assistant principal and director of Early College. "Remarkably, 99% of these students have also earned their advanced degree. We are incredibly proud of their dedication, perseverance, and academic excellence."

109 EC seniors will receive an associate degree in General Studies from Vincennes University, along with their high school diploma. Eighty-three of those seniors have earned college honors. Forty-six students will receive a 30-hour Indiana College Core certificate, which means they have met all requirements for general education courses at all state universities in Indiana. In total, this year's EC seniors earned 9,482 college credit hours.

The Early College program is open to all CGHS students. Students are selected for the program based on their reading level, grades, and recommendations. The program admits approximately 110 students per year.
