Attendance

According to state law, it is the obligation of every parent/guardian to ensure that every child under their care and supervision receives adequate education and training by attending school. Please read the attendance policy here: https://bit.ly/3GheV6W

Parents/Guardians Beware - Be sure that you student doesn't turn off school notifications on your cell phone. This happens more often then you think. Check your Infinite Campus Parent Portal account and also make sure they don't deactivate the attendance calls.

Message from our Principal Carlyn Carroll:

Attendance is the #1 way our students fall behind. When they disconnect from learning, the gap in understanding grows.

- **Tardy** means a student entering or departing a class less than 5 minutes after the scheduled start or departing less than 5 minutes before the scheduled end time
- **Partial absence** means a student entering class more than 5 minutes after the scheduled start time or departing class more than five minutes before the scheduled end time

Attendance Codes- Your student's attendance can be reviewed in your Infinite Campus parent portal. These are some of the most commonly used codes.

(ACT) School Activity
(DOC) Documented Absence
(EPA) Excused Partial Absence
(HRM) Health Room
(EXC) Excused Absence
(TDY) Unexcused Tardy
(ILL) Illness
(UPA) Unexcused Partial Absence
(UNX) Unexcused
(COU) School Counselor Excused

If you know your student will be absent, be sure to excuse the absence by calling the attendance line and leaving a message in English or Spanish at 720-561-5358.

If you need to pick up your student early, please notify the attendance office 24 hours in advance so that the request is fulfilled.

Free & Reduced Price School Meal application (FRL-Free/Reduced Lunch)

Parents/guardians are responsible for completing the Free & Reduced Price School Meal application form each year. Even though lunch is now free for all students, it is still very important that families complete the FRL application, as it waives and reduces fees (including athletics/activities and school technology fees). Some of you qualify for free or reduced lunch benefits through the state for having medication or receiving food stamps. But you still have to share this information with the district so you don't get charged school fees. The district will have sent you an email with the form to share this information. All forms are online.

1- Check your IC Parent Portal: Under the Fees option - There you will be able to see if any fees are being charged.
2- If you applied and qualified for FRL lunch this year 24-25, but forgot to consent to share your eligibility with the district, please fill out this form: **https://dwa.bvsd.org/ParentTools/BenefitInfoSharing**.
3. If you do not have the option to fill out the form to share, please call **Lola Campos-Herzfeld** from Food Services at **720-561-5367** or email **Dolores.Campos-Herzfeld-bvsd.org**. She will be able to let you know if you need to fill out the entire FRL form or if you need to share your eligibility.

Schools do not know whether you qualified for FRL through the state or not. Only Food Services has that information.

Parents/Guardians receive frequent reminders from the district regarding this. We don't want you to wait until your senior year of high school and be charged for any year in which you haven't completed the necessary forms.

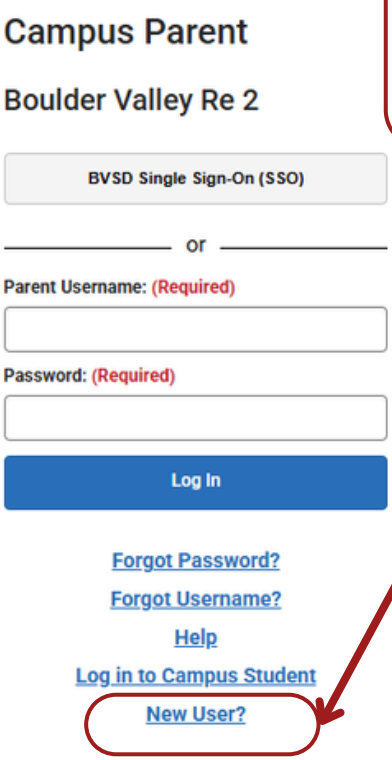

1:Web fees will not be waived if forms aren't completed on time.
