We gratefully honor and acknowledge that we rest on the traditional lands of the Puyallup People. The Puyallup people have lived on this land since the beginning of time. They are still here today. They live, work, raise their children, take care of their community, practice their traditional ways and speak the Twulshootseed language – just as their ancestors did.

Tribal Consultation

Community Agreements

Stay Engaged
remain morally, emotionally, intellectually, and socially involved in the dialogue

Experience Discomfort
discomfort is inevitable, especially as participants commit to bringing issues into the open

Speak Your Truth
be open about your thoughts and feelings

Expect and Accept Non Closure
participants "hang out in uncertainty" and not rush to quick solutions

Consider Intent and Impact
good intention isn't enough and be aware that the impact can be quite different
