We gratefully honor and acknowledge that we rest on the traditional lands of the Puyallup People. The Puyallup people have lived on this land since the beginning of time. They are still here today. They live, work, raise their children, take care of their community, practice their traditional ways and speak the Twulshootseed language – just as their ancestors did.

Community Agreements

Stay Engaged
remain morally, emotionally, intellectually, and socially involved in the dialogue

Experience Discomfort
discomfort is inevitable, especially as participants commit to bringing issues into the open

Speak Your Truth
be open about your thoughts and feelings

Expect and Accept Non Closure
participants "hang out in uncertainty" and not rush to quick solutions

Consider Intent and Impact
good intention isn't enough and be aware that the impact can be quite different

Teen Night – Badges & Boxing
FRIDAY'S 7pm – 8:30pm (8pm – 8:30pm open gym & individual work) Welcome to all Teen Night members

This class teaches teens the fundamental skills of boxing. It includes cardio calisthenics, shadow boxing, bag work, focus mitts and basic self defense. Each participant will learn the art of boxing while also developing leadership skills and a sense of discipline, respect, self-worth and empowerment.

All teen participating will need to have their own set of hand wraps. Participants are also encouraged to bring their own boxing gloves if possible, otherwise, gloves will be provided for class.

The class is run by certified USA Boxing coaches

USA BOXING

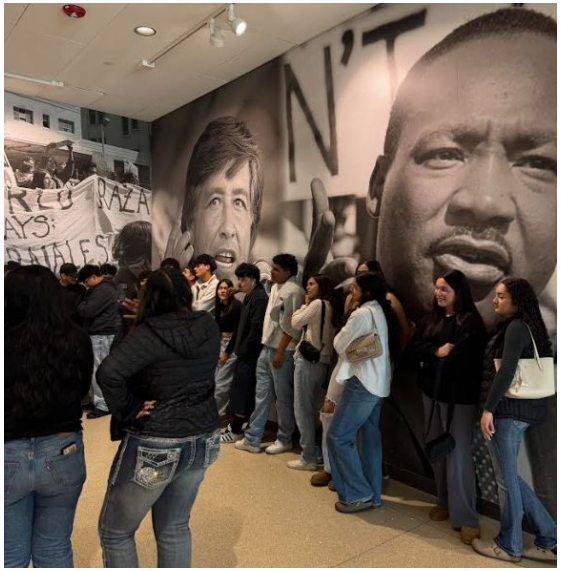

Boxing is a classic sport / art form that can be a powerful tool for community involvement. It's a form of exercise that is both empowering and enjoyable and offers physical, mental, social and emotional benefits that not only enrich individual lives but contribute to the overall wellbeing of the community.

This class will offer a positive, supportive and inclusive environment for teens to learn and grow together, regardless of their differences, experiences and skill levels, creating a culture and environment that embraces respect, humility, teamwork, and commitment.
