How to create an online account:

- Go to www.payschoolscentral.com. From here you will click on “register” and fill in all of your information.
- Once you have an account you can add students/staff. Click on “Your Students” on the right hand side, then scroll down to the bottom and click on “Add Student/Staff”
- You will then need to fill in all of the information they require. It needs to match exactly what is listed above or it will not work.
- Your student’s ID number can be found on their profile page in Final Forms. You will need the whole 9-digit ID number to add them.
