School-Based Health Center

Now your child doesn't have to leave school for minor medical needs. Our walk-in telemedicine clinic allows your child to be seen by a practitioner over a secure online connection in the school nurse's office while remaining at school. The center is under the medical direction of Jeffrey Bennett, MD, FAAP, Chief of General Pediatrics, Children's Hospital at Erlanger, and Betsy Close, MD – UT Family Practice, as well as a licensed Tennessee Family Nurse Practitioner. All are employed by Children's Hospital at Erlanger.

Conditions treated:

- Sore throat
- Sinus infections
- Urinary tract infection
- Earache
- Asthma flare ups
- Head lice
- Flu
- Allergies
- Pink eye

A Care Mobile Registration /Consent form must be completed and on file prior to your child's treatment. Ask your school nurse for this form.
