

North Coventry Elementary School

Vision, Mission, Goals

Our Mission:

Inspiring each student for success today and greatness tomorrow.

Our Vision:

To work collaboratively so as to engage every child in order that they may live a successful, joyful, and meaningful life.

Our Goals:

- Educate students in an atmosphere of excellence, innovation, and educational equity, while ensuring that students are challenged to stretch their talents and aspirations.
- Work collaboratively with colleagues, parents, and students to maintain a safe, caring, well-disciplined learning environment, characterized by mutual respect for all stakeholders.
- Communicate with, and effectively engage the staff, student body, parents and community, clearly articulating building goals and priorities, addressing critical issues affecting the school, and building support for school initiatives, programs and short/long-range plans.
- Model professional decision-making processes, ethical standards, and innovation consistent with the values of Pennsylvania's public education system, as well as that of the Owen J. Roberts community. Work to individually reflect upon effectiveness within teaching roles and to improve effectiveness through the use of professional development literature and activities.
