Purpose

- Review the Consolidated Application, or ConApp
- Learn about Federal Title Programs (Title I, II, III and IV)

Learn more at cvsd.org
f t i y

Our Why

In 1965, the Elementary and Secondary Education Act was passed, which included Title I.

The Act requires schools receiving funds under Title I be comparable in services to schools that do not receive Title I funds.

A young Lyndon Johnson in 1928 with the students he taught in Cotulla, Texas. He later said his experience in the poor Mexican-American community fueled his commitment to fight poverty and discrimination. [LBJ LIBRARY] Wilmington StarView

What is the Consolidated Application?

- The ConApp is how school districts, charters, and counties across California apply for funds from the federal government.
- The ConApp is also how the California Department of Education (CDE) monitors the use of the funds to ensure compliance with state and federal requirements.

Title I

Supports academic achievement of our at-promise students.

- Title I schools receive additional funds (including Title I Parent Participation) if they have 40% or more students who qualify as Low Income. Activities are planned for in the School Plan for Student Achievement (SPSA) and approved by School Site Council (SSC)
- Activities must be SUPPLEMENTAL
- Examples:
 - Instructional Assistants
 - Reading Coach, Interventionists, Instructional Coordinators
 - Additional books and/or supplementary reading materials
 - Professional development for staff
 - Computers, upgraded technology, iPads, etc.

Learn more at cvsd.org
f t i y l n

Title II

Preparing, training and recruiting teachers, principals and other school leaders.

- Activities must be SUPPLEMENTAL
- Professional Learning must address an identified need

Examples:

- District wide professional learning for teachers on literacy, science, math, English Language Development (ELD), etc.
- Leadership development and professional learning for principals and other school leaders.
- Teacher recruitment efforts.
