Chula Vista Elementary School District
DAC/DELAC Meeting
October 18, 2022

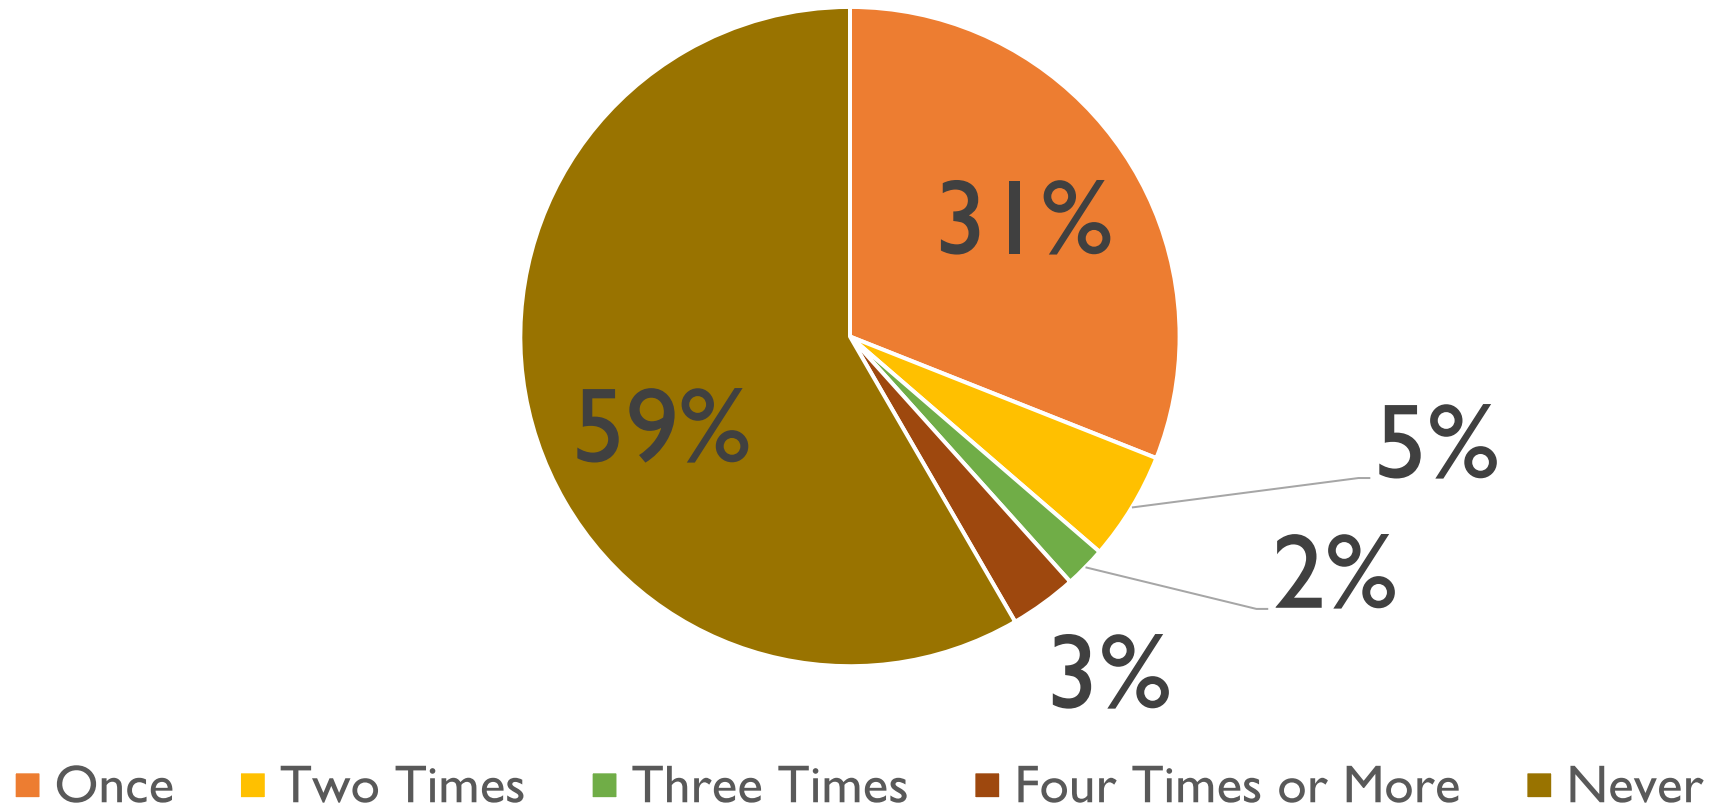

I feel welcome and included at my child's school.

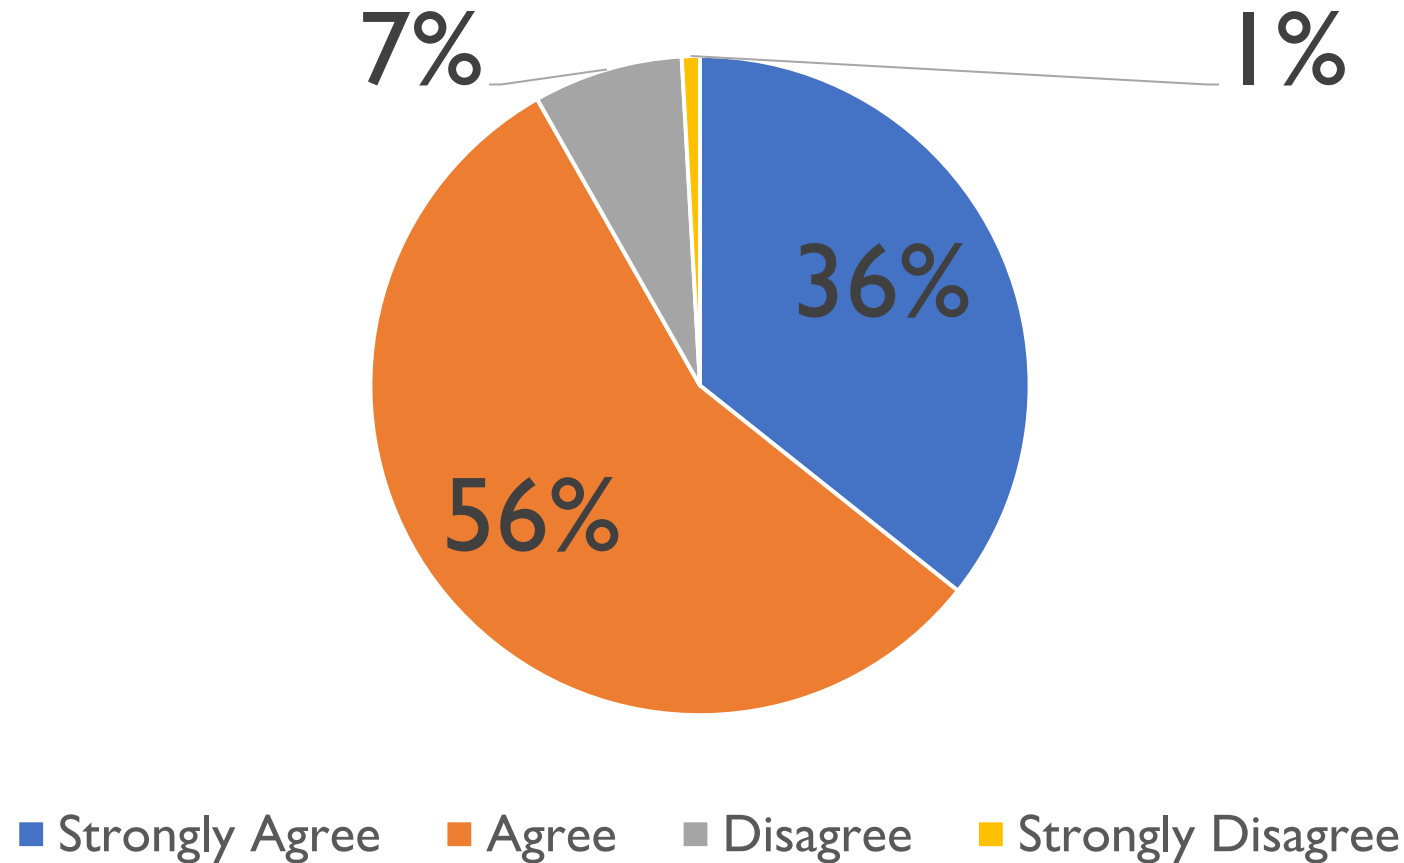

What is your preferred method to receive school information/communication?

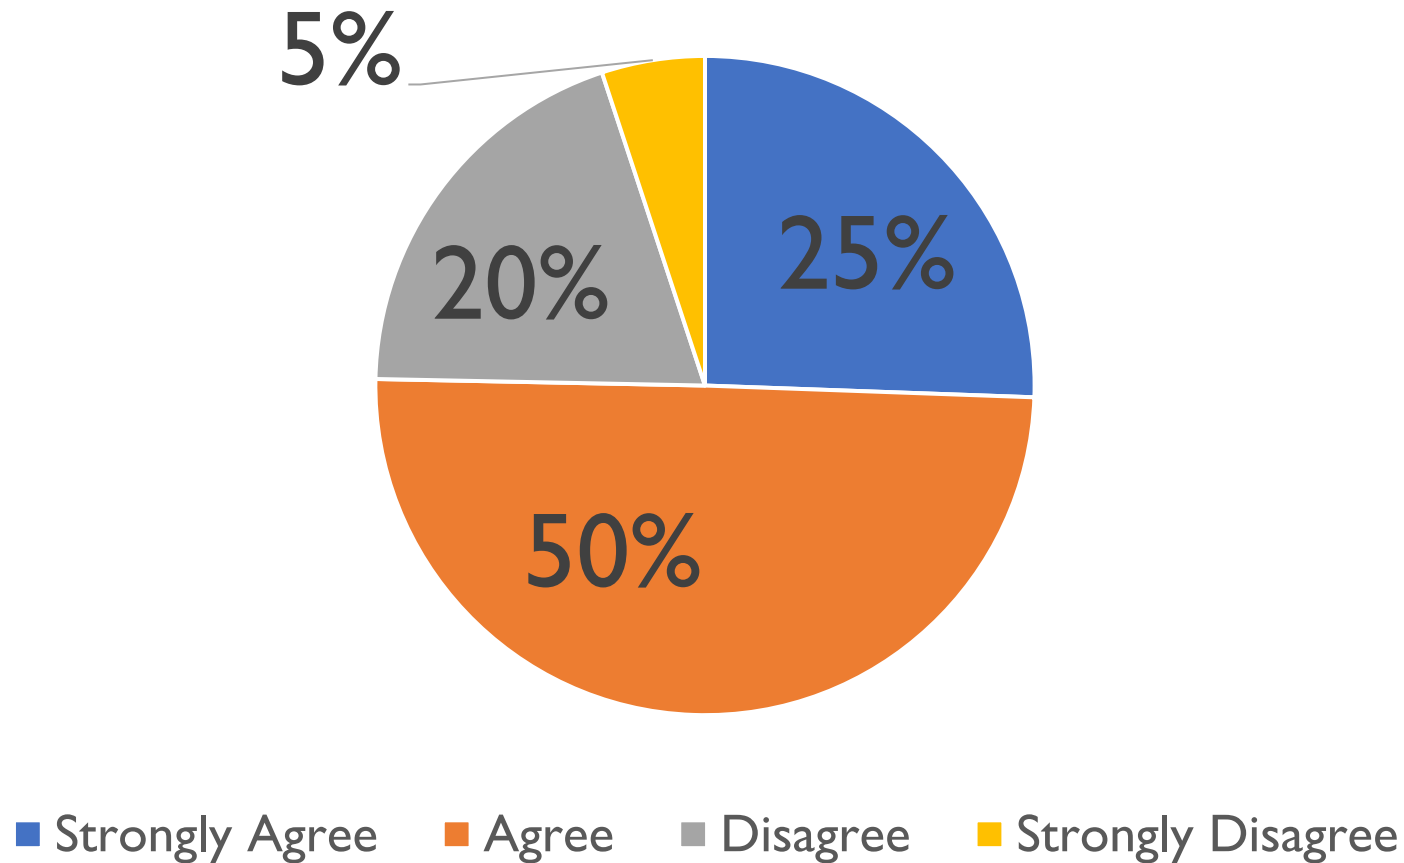

I have attended an English Learner Advisory Committee (ELAC) or a school meeting or presentation that addresses English Learner topics such as ELPAC , Reclassification.

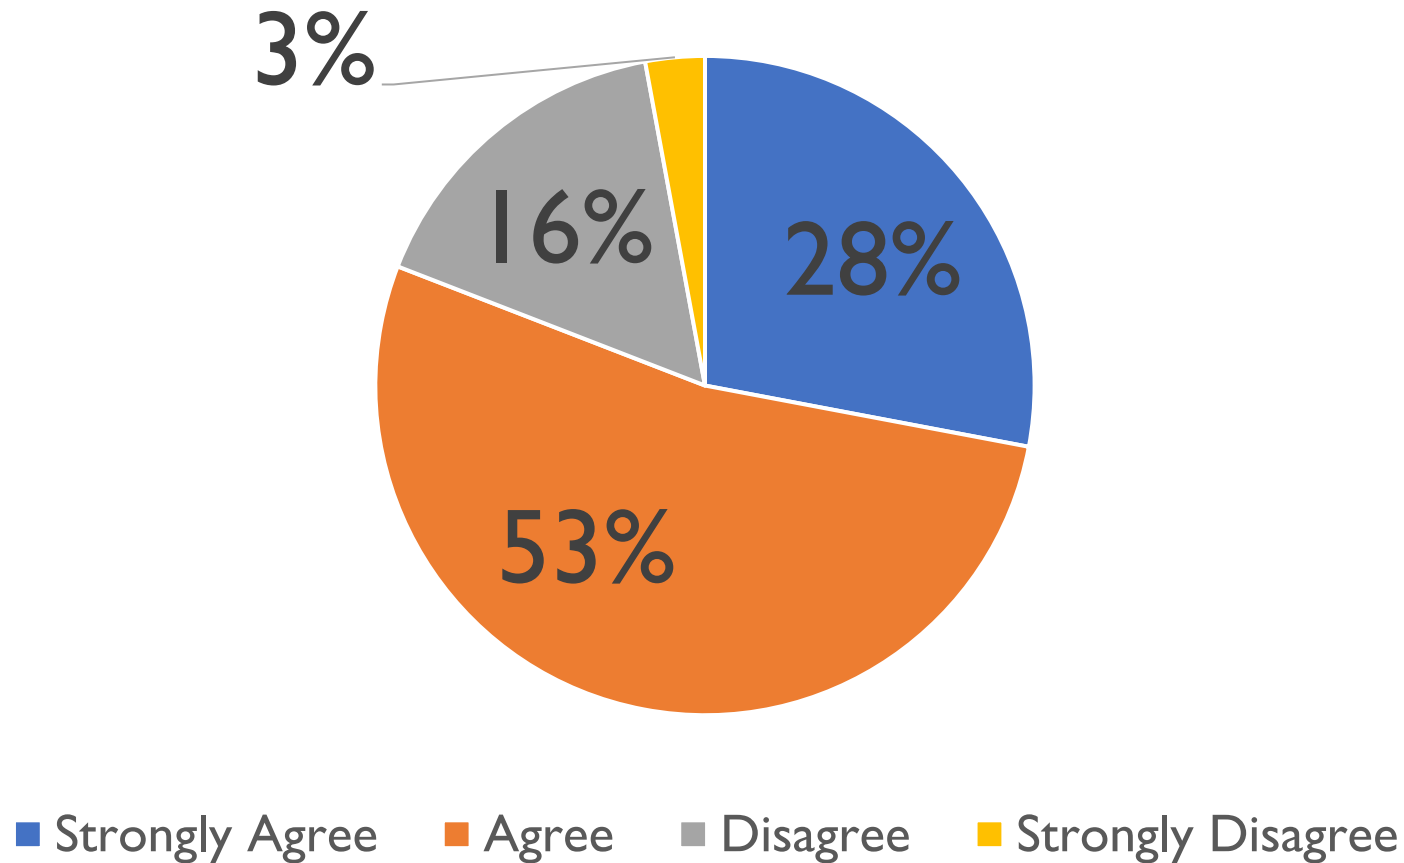

My child is receiving adequate support in acquiring English in Reading, Writing and Mathematics.

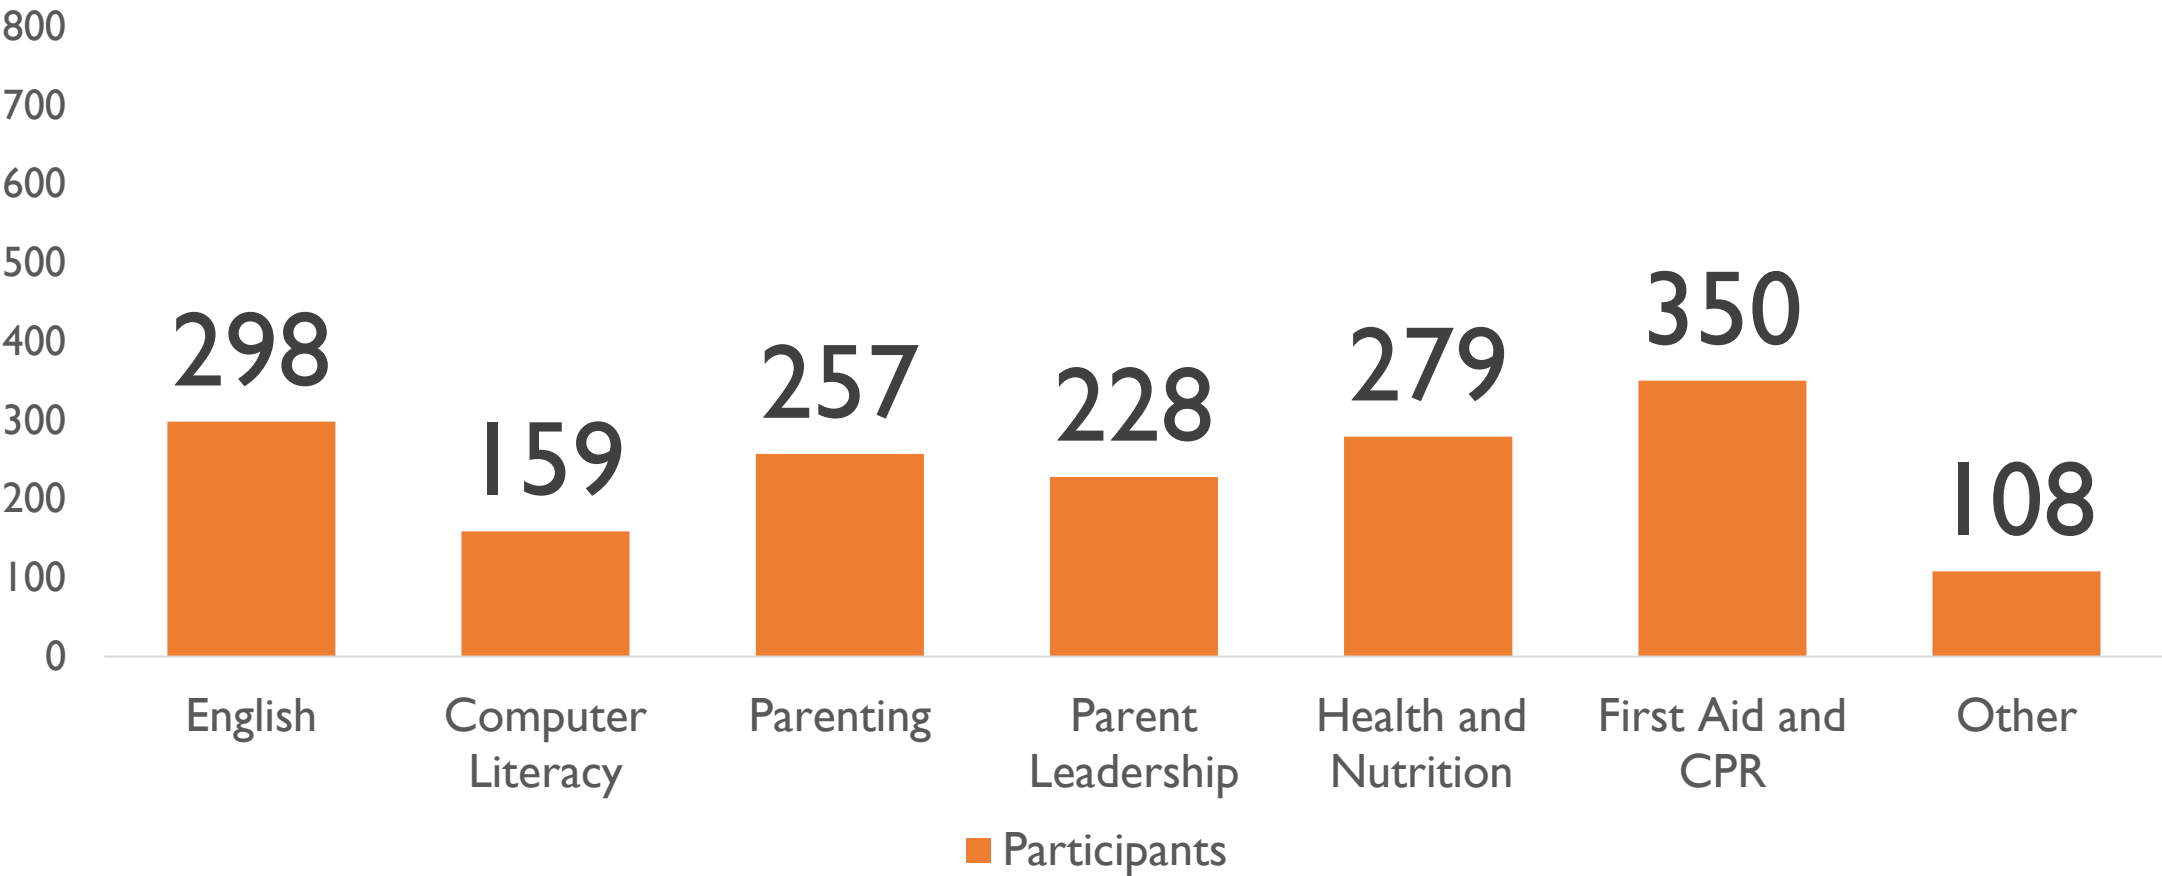

I have an understanding of the daily small group language instruction my child receives. (English Language Development – ELD).

I am being informed of my child's progress on the English Language Proficiency Assessments of California (ELPAC).

I am interested in participating in the following courses for adults: English, Computer Literacy, Parenting, Parent Leadership, Health and Nutrition. Select all that apply.

Please rank your topics of interest for this year's Parent Workshops and/or ELAC meetings.
