Dear Parents, Guardians, and Community Stakeholders,

In concert with the Strategic Plan set forth by the Somerset Hills Board of Education, I have led a committed group of residents, students, alumni, and parents in a focus group setting to assess the feasibility of installing permanent LED lighting on Olcott Field.

We met on December 7, 2023 and March 27, 2024. To remain informed, below you can find artifacts from those two meetings and the first Interim Report presented to the Board of Education in January.

A stakeholder survey will be distributed across the communities we serve tomorrow. I encourage you to complete the survey to provide a full perspective of viewpoints regarding the feasibility of installing permanent LED lights on Olcott Field.

Thank you for your commitment to providing feedback to the District and for participating in this important work.

Sincerely,

Brian Brotschul, Ed. D.
Superintendent of Schools
