2019 PASBO Award of Excellence and Gold Award of Excellence in School Facilities

PASBO is pleased to recognize and congratulate the following schools and their facilities management staff for their outstanding work. This year, they took home PASBO's Award of Excellence in School Facilities.

(Above form L-R) Robert Whartenby, Director of Facilities/Assistant Business Administrator of Operations, Centennial School District, 2019 PASBO Award of Excellence in Facilities; Michael Shelgren, Assistant Director of Maintenance and Operations and Owen J. Roberts School District, 2019 PASBO Gold Award of Excellence; Stan Morgan, Director of Facilities, Tuscarora School District, 2019 PASBO Gold Award of Excellence in School Facilities. Mark Heckaman, PCSBO, Director of Operations & Safety, Donegal School District, 2019 PASBO Gold Award of Excellence in School Facilities, Bryan Coble, Dude Solutions.

The PASBO Award of Excellence in School Facilities is awarded each year to LEAs in recognition of their outstanding operations in facility management. The award program, which is jointly sponsored by PASBO and Dude Solutions, is designed to encourage best practices that result in efficiencies in K-12 non-instructional administration and to recognize exceptional school facilities.

These schools were presented with the PASBO Award of Excellence in School Facilities based on the attainment of seven core competencies including: Facilities Maintenance and Management, Facilities Capital Improvement and Construction, Grounds Management, Housekeeping, Staff Management, Environmental Safety, Benchmarking and Data Management.

PASBO and Dude Solutions are proud to recognize these facility management professionals and their accomplishments on behalf of his school district, and we were excited to award them with a scholarship in the amount of $1,500 at the recent PASBO Annual Conference.
