FRENCH CREEK LIBRARY BIRTHDAY BOOKS PROGRAM

The French Creek "Birthday Books Program" is an opportunity for families to donate a book to the French Creek Library in celebration of a child's birthday. Book selections may be made from an Amazon Wish List created by the FC School Librarian.

Click here to access the Amazon Wish List. Books purchased from the Wish List will be sent directly to French Creek. After you purchase a book, please send in the Birthday Book Form with the information from your purchase.

A special bookplate is placed inside the front cover of the gift book recognizing the honoree. The program helps grow our library collection and allows participants to feel pride in enriching their school library.

For questions or further information about this program, please email Librarian dponto@ojrsd.net or Assistant Carrie Love at clove@ojrsd.net.

Thank you,
Danielle Ponto - FC Librarian
