209. HEALTH EXAMINATIONS	
1. Purpose SC 1402-3	In compliance with the School Code, the Board shall require that students of this District submit to health and dental examinations to protect the school community from the spread of communicable disease; to ensure that the student's participation in health, safety and physical education courses meets his/her individual needs; and to ensure that the learning potential of each child is not lessened by a remediable physical disability.
2. Authority SC 1402, 1407	Each pupil shall receive a comprehensive health examination upon original entry, while in sixth grade and in eleventh grade. These examinations will be conducted by the school physician. A private examination conducted at the parent's request and at their expense will be accepted in lieu of the school examination. Physical examinations given up to one year prior to the school year will be accepted.
SC 1403, 1407	Each pupil shall receive a comprehensive dental examination upon original entry, while in third grade and in seventh grade. These examinations will be conducted by the school dentist. A private examination conducted at the parent's request and at their expense will be accepted in lieu of the school examination. Dental examinations given up to one year prior to the school year will be accepted.
SC 1409	For each pupil transferring to the schools of this District the Superintendent shall request an adequate health record from the transferring school.
SC 1409	The individual pupil records of health examinations shall be maintained as a confidential record subject to statute and the policies of this District.
SC 1419 Title 28 Sec. 23.44	A student who presents a statement signed by his/her parent or guardian that a medical examination is contrary to his/her religious beliefs shall be examined only when the Secretary of Health determines that the student presents a substantial health menace to the health of other persons.
