# Camp connections

A NOTE FROM THE CAMPER RECRUITMENT TEAM AT VJ

May 2025

## We need your help...

We're thrilled to share that acceptances have gone out for over half of our summer sessions—and Camp is less than a month away! As we count down the days, our goal is to fill every session to capacity! There are still a few sessions with open spots, and we need your help spreading the word about them!

- **Session 1 (June 9–13):** A few spots open across all ages and genders.
- **Session 2 (June 16–20):** Looking for 6–10 year olds, both boys and girls.
- **Session 4 (June 30–July 4):** In need of 6–8 year old girls.
- **Session 5 (July 7–11):** Have spots for 6–12 year old girls.
- **Session 6 (July 13–17):** Space available for all ages and genders, but especially 6–10 year old boys and girls.
- **Session 7 (July 20–24):** Open to all ages and genders—especially 6–10 year old boys and girls.

If you know any kids who might be a good fit for these sessions, please have them start their application **AS SOON AS POSSIBLE!** And of course, if you have any questions, reach out to us!

### save THE Date!

With summer approaching so quickly, it's hard to believe that we are already thinking of Fall family weekends! We will be sending the date that those applications will open in our newsletter next month because applications will officially open in JULY! We are so excited for that and can't wait to tell you so you can share with families!
