TENTATIVE AGREEMENT
Between the
LODI UNIFIED SCHOOL DISTRICT
and the
LODI EDUCATION ASSOCIATION
(Impact and Effect of 7-Period Straight Day)

The Lodi Unified School District ("District") and the Lodi Education Association ("LEA" or "Association") are parties to a collective bargaining agreement ("CBA") which expires on June 30, 2026.

A. Impact and Effect of a Straight Seven Period Day

1. The District will implement a straight Seven Period Day at Lodi, Tokay and Bear Creek high schools. This TA shall only apply to these three schools.
2. RSP and SDC teachers will need to amend student IEPs of students due to the shift to a seven-period day. For the 2025/2026 school year, case managers may submit a timecard at adjunct pay for up to thirty (30) minutes per student on their case load in order to complete these IEP amendments. The District shall send the PWN to the parents of all impacted students.
3. Article III, Salary and Compensation, shall be modified as set forth in Attachment A.
4. Article VIII, Work Year, shall be modified as set forth in Attachment B.
5. Article IX, Work Days shall be modified as set forth in Attachment C.

B. CLOSURE

This shall fully resolve all bargaining regarding the impact and effect of the District's decision to implement a Seven Period Straight Day.

III. SALARY AND OTHER COMPENSATION

A. SCHOOL SITE INTERNAL REPLACEMENT FOR ABSENT CLASSROOM TEACHER

1. The District will make a concerted effort to avoid having a regular classroom teacher serve as a replacement for an absent middle or high school teacher, or divide up elementary students into other classrooms for an absent SDC Preschool and TK-6 teacher.
2. After the District has determined that there is no other alternative in covering the classroom for an absent teacher, the site administrator will then use the replacement volunteer teacher list, rotating through the list in an attempt to avoid asking teachers to volunteer more than one time a semester.
3. ***Elementary, middle and high school*** teachers *including itinerant and special education teachers* may volunteer to replace an absent teacher during their preparation time, or volunteer to have students from an absent teacher's classroom placed in their classroom, and shall each be compensated using the following formula:

$$\frac{(\text{Hourly rate based on Step 3, Class A} \div 60) \times PM}{N}$$

[~~P~~ the number of periods covered by the teacher(s)]
M = number of minutes covered by the teacher]

[N=the number of teachers dividing the students]

[Hourly Rate = (cell $\div$ 185) $\div$ 6 hours)]
