APRIL EXCITEMENT!

To date, our seniors have successfully earned **762** college and university acceptances!

With the National Candidates Reply Date, May 1st, quickly approaching, we are excited to support our seniors in making their final college decisions. Each student must submit one and only ONE enrollment deposit to the school of their choice by **May 1, 2025**. If seniors and their families have questions about their options, including how to best navigate waitlists, we encourage them to contact their College Counselor directly.

We are excited to share the list of acceptances and the matriculation list in May. Our office is proud of each and every one of our seniors – their positive outcomes are a reflection of their talents and immense potential.

As a reminder to our seniors, please let us know all admission decisions once you receive them. We want to celebrate with you and provide you with support, advice, and encouragement!

REMINDER: Mock Admission – Your Chance to Get “In” on an Admission Committee

We are excited to present our Mock Admission program for juniors and their families on **Monday, April 14 from 6:30 – 8:30pm**. Students and families will break up into groups to form admission committees tasked with reviewing applications for two unique fictional colleges. Each committee will be monitored by one of our REAL college admission representatives, who is fully engrossed in the reading and review process at their respective schools each year. This program is beneficial and eye-opening as the Class of 2026 prepares to start their own college application process next fall. We find that this evening provides great perspective and insight as to how a student and their completed applications are reviewed in the context of institutional priorities. Please save the date – this isn’t a program you want to miss! This is a no-homework night for those juniors who attend.

WAIS College Fair – Juniors (Class of 2026) Only!

For over 25 years, the Washington Area Independent Schools (WAIS) have coordinated a college fair for juniors. This year, there are [three fairs](#) being offered in late April that our juniors and their parents/guardians can attend. Because Bullis is located in Maryland, we encourage you to attend the fair at [Georgetown Prep on Monday, April 28 from 6-8pm](#). If, however, you are unable to attend this fair, you are welcome to attend one of the other two offered fairs.
