AP EXAMS – THEY'RE HERE, THEY'RE HAPPENING!!!

Advanced Placement testing is here! Since the date for seniors to opt-out of their exams has passed, **ALL** students are required to take their AP Exams.

Below is a schedule of the upcoming AP Exams for standard testing conditions. ***If you are taking the AP Exams with accommodations, please refer to your emails from Ms. From with details for locations and times.*** Students **must** arrive on time, stay for the entire AP Exam, and should plan to bring the following items with them to each exam:

1. Several #2 pencils with erasers and/or separate erasers
2. A pen with black or dark blue ink
3. A fully-charged laptop and charger
4. A drink and a snack (for students with extra time, bring a substantial snack or sandwich)
5. A calculator with fresh batteries (for the exams that require a calculator)
6. A watch (with tones off. No smartwatches). Some of the rooms have clocks; others do not. Proctors will provide time cues as permitted by the College Board.

Students who are scheduled to take late Exams due to conflicts or absences should continue checking their email for important notifications.

REMINDERS for JUNIORS: Recommendation Letters, Essay-Writing, and our Summer Workshop!

Earlier this week, juniors were instructed to approach one teacher for a letter of recommendation to be included in their college applications. In the coming weeks, those who need to ask a second teacher for a letter of recommendation will be able to do so. Once teachers have agreed to write their letters of recommendation, the College Counselors will do all necessary follow-up regarding letter(s) of recommendation before a student's first application deadline.

After our AP Exams, the College Counselors will spend two days with each junior-level English class to begin the discussion around the main Common Application college essay, as well around supplemental essay questions. We are excited for the Class of 2026 to begin thinking about the meaningful and creative ways they can express themselves through writing. Unlike other portions of the admissions process, writing is something our students have full control over; it is a time and space for students to share their voices.

Finally, this summer, College Counseling will host important, mandatory sessions for the Class of 2026. Throughout the month of August, current juniors will attend a scheduled appointment (in-person or virtual) with their College Counselor to better understand Bullis' college application process, review the action items that will be expected of them throughout the fall, and learn how to navigate important platforms like Scoir to allow for seamless document submission to their desired colleges and universities.

Juniors should be on the lookout for emails from College Counseling for more details.

SUMMER TIME!

Colleges and universities around the country offer summer programs for high school students. These programs are an excellent way for students to get a feel for college life by taking classes and meeting diverse students who share their interests. Keep in mind that these college summer programs are just one way, and certainly not the only way, for students to approach their summers intentionally in preparation for the college process.

To find these opportunities, please see the [Summer Opportunities](#) section (updated regularly) of the College Counseling webpage. If students need help applying to summer programs, we in College Counseling are happy to provide guidance and assistance.

SENIORS, YOU'RE ALMOST THERE!

With graduation on the horizon, we know that our seniors are looking forward to the rites of passage and traditions that come with graduation. Senior Supper, Senior Family reception, & awards are a few weeks away, followed immediately by Habitat for Humanity. In the meantime, we encourage our students to finish the year on a high note as admission to any college or university is contingent upon a successful academic conclusion to your senior year. The College Counselors are required to send final transcripts for each senior to their college of choice to show proof of graduation.

CELEBRATIONS & CONGRATULATIONS!!!

After an exciting year, our seniors have earned **797** acceptances to colleges and universities all over the country and internationally. Waitlist activity could continue throughout the summer. As seniors receive any additional decisions, we ask that they share them with the College Counseling team.

Below is a list of colleges, universities, and post-graduate schools where our seniors have earned admission. The list (which begins on the following page) is separated by U.S. regions, followed by international schools. Later this month Mr. Sullivan will share our matriculation list; we'll also highlight it in our June edition of *The Crier*.

We are so proud of the diverse and robust list of schools, demonstrating our students' ability to find their right-fit institution.
