activities as determined on a case-by-case basis by the Building Principal.

2. The Board believes the cost for students to wear a school uniform to school every school day will be less expensive for parent(s) or legal guardian(s) than the cost for students not wearing uniforms. In the event a parent(s) or legal guardian(s) is economically disadvantaged and unable to afford the cost of a uniform for their student, the school may provide two uniforms to such students, excluding shoes, for each year the student is economically disadvantaged.
3. The parent(s) or legal guardian(s) may be required to provide the Building Principal with the following information to determine if a student is economically disadvantaged:
 - a. A written statement from the parent(s) or legal guardian(s) requesting to have their student receive assistance in complying with the school uniform policy,
 - b. A copy of the most recent three years' federal and state income tax returns, and
 - c. A copy of the family's Free and Reduced Lunch Application for the last three years.

The Building Principal shall determine if the student is economically disadvantaged based on the information provided by the parent(s) or legal guardian(s).

This school uniform policy does not prohibit students who participate in nationally recognized youth organizations, which are approved by the Board, from wearing organization uniforms to school on days that the organization has a scheduled meeting.
