**Paterson Public Schools to Hold Community Forums For Parents About School 3 Relocation**

District administrators have announced plans to hold two community forums to address questions from parents and concerned community members about the relocation of School No. 3, located at 448 Main St., Paterson, N.J. 07501. The forums will be held on Tuesday, August 22 and again on Tuesday August 29 in the auditorium at School No. 2, located at 22 Passaic St., Paterson, N.J. 07501. Both will begin at 6:00 P.M.

The forum will be hybrid, allowing for up to 200 participants to be seated and a livestream to accommodate those who cannot attend in person. Questions will be addressed from only those in attendance.

Superintendent Newell said, “We are doing our utmost to notify our School 3 parents about the latest information regarding their child’s schooling for the beginning of the school year. We want to hear from them and assure families that, despite the situation, their children’s educational experience will not be greatly affected.”

“Our student’s education is always the foremost concern for us,” said Assistant Superintendent Cicely Warren said. “The plans introduced in the overview given at the last Board of Education meeting were developed with great care. We understand that there are still some concerns and these forums are going to help our parents better prepare for the opening of school.”
