

Oneida-Herkimer-Madison BOCES is pleased to announce that we will be offering employee flu shot clinics with the goal of vaccinating our employees against influenza. In the United States, each year 5% to 20% of the population contracts the flu and more than 200,000 people are hospitalized from seasonal flu-related complications. Flu seasons are unpredictable and can be severe. The best way to prevent seasonal flu is by getting a flu vaccination.

Flu shot clinics are scheduled for the following dates, times and locations:

Wednesday, October 2, 2024

7:30 a.m.-12:30 p.m.

Oneida-Herkimer-Madison BOCES Main Campus
Herkimer Room – The Howard D. Mettelman Learning Center
4747 Middle Settlement Road
New Hartford, NY 13413

Thursday, October 3, 2024

11:30 a.m.-3:30 p.m.

Oneida-Herkimer-Madison BOCES Main Campus
Herkimer Room – The Howard D. Mettelman Learning Center
4747 Middle Settlement Road
New Hartford, NY 13413

Employees are free to attend any session. If you would like to receive a flu shot, please contact Margherita Manoiro at 315.793.8518 or mmanoiero@oneida-boces.org to schedule an appointment. Walk-ins are welcome, but please be aware that employees with scheduled appointments will be served first.

A New York State certified immunizing pharmacist will be administering the flu vaccinations. A “Screening Questionnaire and Consent Form” must be completed in order to receive a vaccination. Margherita Manoiro will provide a form when your appointment is confirmed. Completing the form in advance will expedite your appointment; however, forms will also be available on site at the flu shot clinics.

The flu vaccinations will be covered in full by the insurance plans offered through Oneida-Herkimer-Madison BOCES. Please bring your insurance card with you. If you are uninsured and would like to be vaccinated, the cost will be \$25.00 (cash or check is accepted).

Please consider getting a flu shot in order to protect yourself during flu season. We care about your health!
