

CES School Governance Meeting Minutes
Monday, January 22, 2024

- I. Old Business-
 - Review December minutes
 - STEAM day was a success; next STEAM activity night is egg drop in the Spring
 - Family Discovery night is February 13, centered around character word “Kindness”
- II. Principal’s Report-
 - Budgets to be set for 2024-2025: pending safety program, window coverings for safety protocol
 - STEAM Lab update-surplus furniture to be moved out by end of year (tentative), green-screen room to be finalized with equipment (already received) and appropriate software (to come) with the help of Tyler Putnam at CHS and Heaven in the IT department
 - Gate or some form of speed barrier needed between CES and the old CPS
 - MAP results-to be elaborated upon at next meeting by Floyd Braid. ELA up 10 points but slight dip in Math for mid-year results.
 - SIP-Capturing Kids’ Hearts survey, data is close to rendering CES a National Showcase School for Capturing Kids’ Hearts, kid-centered ownership of behaviors and treatment of other students is taking off, and staff/adult culture in building is a component, as well
- III. New Business-
 - LifeWise Academy classes have begun; enrollment will continue in 2 more phases. A new group beginning after Winter Break and another group beginning after Spring Break.
 - Digital Learning Day survey from past snow day to go out to gain feedback for future Digital Learning Day on March 13
 - Mentor program-space needs furnishing. A needs list will be given before next governance meeting on February 26
