Call to order: Tripp Nelson called the CHS School Governance Team Meeting to order at 7:38 a.m.

Inspiration: Charissa Pritchett provided quotes regarding attitudes-having a positive attitude and knowing everyone is doing their best can change perceptions.

Pledge of Allegiance: All

Approval of Minutes: October 17, 2018

Old Business: School Safety- Following our meeting, Mrs. Tierce is attending a RESA training in Rome. The training is focusing on school safety. We have been meeting with companies about access systems, security cameras, etc. It could cost approximately \$2000.00 per door to install access points.

New Business:

- CCRPI-
 - College Career Readiness Performance Index- CHS' score for the 2017-18 school year was 81.0. The CCRPI components measured are progress (growth %), content mastery (EOC scores), closing gaps among sub-groups, college and career readiness, and graduation rate.
 - Mr. Crenshaw presented additional information on CCRPI. Our score dropped one percentage point from the previous school year, but the formula for calculating the CCRPI score changed. It is not an apples-to-apples comparison.
 - CHS is already advocating for more teachers and support staff in order to close gaps between sub-groups.
 - The next school calendar meeting is on 11/15/18. Charissa Pritchett surveyed of the school governance members for their thoughts and opinions for the school calendar.
- Next Inspiration- December 19, 2018 by Tripp Nelson
