Pledge of Allegiance: All

Approval of Minutes: December 2018 Minutes were approved.

Old Business:

- Senior Walk at Prom- thinking of restructuring walk and limiting the number of family members inside.
- Canes to Careers

New Business:

1. Graduation - We will turn the field sideways so students/guests are actually speaking to the graduating class. As our graduating class size increases, that will limit the number of guest tickets each graduate receives if we have to move indoors.
2. JROTC interviews are set to begin soon. The goal is to eventually house our JROTC program in the old fieldhouse!! Excited!!
3. Senior meeting will be held soon to speak with them about future plans. We want to be in contact with the students and get updates on "where they are" in the process. We will also offer YouScience to seniors for exposure.
4. Registration Process- Counselors will be hold individual meetings with upcoming seniors. Every other grade will remain the same. Counselors will only meet as scheduled, and they will not be available, except for emergencies.
5. PTC donating \$1,000 for supply closet to help teachers with project supplies.
6. First semester grades- We had less students fail a class since adding FAB Wednesdays. 9th grade had the highest amount of failed sections.

7. Going to GHC tomorrow to collaborate with them about offering pathways to CHS students. We are going to look at pushing dual enrollment for electives through both CTC and GHC. We want to offer more for our students!
8. Safety- Tierce and Feuerbach to visit company to look at lock down equipment. In addition, we will continue safety discussions at meetings with faculty.

Motion to adjourn: Rita Porter. The motion seconded by Charissa Pritchett. Meeting was adjourned at 8:14 A.M.
