

Procedure - Sexual Harassment of Students Prohibited

The procedure is intended to set forth the requirements of Policy 3205, including the process for a prompt, thorough, and equitable investigation of allegations of sexual harassment and the need to take appropriate steps to resolve such situations. If sexual harassment is found to have created a hostile environment, staff must take immediate action to eliminate the harassment, prevent its reoccurrence, and address its effects.

This procedure applies to sexual harassment (including sexual violence) targeted at students carried out by other students, employees or third parties involved in school district activities. Because students can experience the continuing effects of off-campus harassment in the educational setting, the district will consider the effects of off-campus conduct when evaluating whether there is a hostile environment on campus. The district has jurisdiction over these complaints pursuant to Title IX of the Education Amendments of 1972, Chapter 28A.640, RCW and Chapter 392-190 WAC.

Notice

- Information about the district's sexual harassment policy will be easily understandable and conspicuously posted throughout each school building, be reproduced in each student, staff, volunteer and parent handbook.
- In addition to the posting and reproduction of this procedure and Policy 3205, the district will provide annual notice to employees that complaints pursuant to this procedure may be filed at Cusick School District, 305 Monumental Way, Cusick, WA 99119.

Staff Responsibilities

- In the event of an alleged sexual assault, the school principal will immediately inform: 1) the Title IX/Civil Rights Compliance Coordinator so that the district can appropriately respond to the incident consistent with its own grievance procedures; and 2) law enforcement.
- The principal will notify the targeted student(s) and their parents/guardians of their right to file a criminal complaint and a sexual harassment complaint simultaneously.

Confidentiality

- If a complainant requests that his or her name not be revealed to the alleged perpetrator or asks that the district not investigate or seek action against the alleged perpetrator, the request will be forwarded to the Superintendent for evaluation.
- The Superintendent should inform the complainant that honoring the request may limit its ability to respond fully to the incident, including pursuing disciplinary action against the alleged perpetrator.
- If the complainant still requests that his or her name not be disclosed to the alleged perpetrator or that the district not investigate or seek action against the alleged perpetrator, the district will need to determine whether or not it can honor such a request while still providing a safe and nondiscriminatory environment for all students, staff and other third parties engaging in district activities, including the person who reported the sexual harassment. Although a complainant's request to have his or her name withheld may limit the district's ability to respond fully to an individual allegation of sexual harassment, the district will use other appropriate means available to address the sexual harassment.

review and approve. The superintendent or Title IX Coordinator may also conclude that the district needs to conduct an investigation based on information in his or her possession, regardless of the complainant's interest in filing a formal complaint.

- The time period for filing a complaint is one year from the date of the occurrence that is the subject matter of the complaint. However, a complaint filing deadline may not be imposed if the complainant was prevented from filing due to: 1) Specific misrepresentations by the district that it had resolved the problem forming the basis of the complaint; or 2) Withholding of information that the district was required to provide under WAC 392-190-065 or WAC 392-190-005.
- Complaints may be submitted by mail, fax, e-mail or hand-delivery to the district Title IX Coordinator at Cusick School District, Superintendent, 305 Monumental Way, Cusick, WA 99119, 509.445.1125. Any district employee who receives a complaint that meets these criteria will promptly notify the Title IX Coordinator.

Investigation and Response

- The Title IX Coordinator will receive and investigate all formal, written complaints of sexual harassment or information in the coordinator's possession that they believe requires further investigation. The Coordinator will delegate his or her authority to participate in this process if such action is necessary to avoid any potential conflicts of interest. Upon receipt of a complaint, the Title IX Coordinator will provide the complainant a copy of this procedure.
- Investigations will be carried out in a manner that is adequate in scope, reliable and impartial. During the investigation process, the complainant and accused party or parties, if the complainant has identified an accused harasser(s), will have an equal opportunity to present witnesses and relevant evidence. Complainants and witnesses may have a trusted adult with them during any district-initiated investigatory activities. The school district and complainant may also agree to resolve the complaint in lieu of an investigation. When the investigation is completed, the Title IX Coordinator will compile a full written report of the complaint and the results of the investigation.

Superintendent Response

- The superintendent will respond in writing to the complainant and the alleged perpetrator within thirty (30) calendar days of receipt of the complaint, unless otherwise agreed to by the complainant or if exceptional circumstances related to the complaint require an extension of the time limit. In the event an extension is needed, the district will notify the complainant in writing of the reason for the extension and the anticipated response date. At the time the district responds to the complainant, the district must send a copy of the response to the office of the superintendent of public instruction.
- The response of the superintendent or designee will include: 1) a summary of the results of the investigation; 2) a statement as to whether a preponderance of the evidence establishes that the complainant was sexually harassed; 3) if sexual harassment is found to have occurred, the corrective measures the district deems necessary, including assurance that the district will take steps to prevent recurrence and remedy its effects on the complainant and others, if appropriate; 4) notice of the complainant's right to appeal to the school board and the necessary filing information; and 5) any corrective measures the district will take, remedies for the complainant (e.g., sources of counseling, advocacy and academic support), and notice of potential sanctions for the perpetrator(s) (e.g., discipline).
- The superintendent's or designee's response will be provided in a language the complainant can understand and may require language assistance for complainants with limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964. If the complaint alleges discriminatory harassment by a named party or parties, the coordinator will provide the accused party or parties with notice of the outcome of the investigation and notice of their right to appeal any discipline or corrective action imposed by the district.
- Any corrective measures deemed necessary will be instituted as quickly as possible, but in no event more than thirty (30) days after the superintendent's mailing of a written response, unless the accused is appealing the imposition of discipline and the district is barred by due process considerations or a lawful order from imposing the discipline until the appeal process is concluded. Staff may also pursue complaints through the appropriate collective bargaining agreement process or anti-discrimination policy.

- Following the investigation, OSPI will make an independent determination as to whether the district has failed to comply with RCW 28A.642.010 or Chapter 392-190, WAC and will issue a written decision to the complainant and the district that addresses each allegation in the complaint and any other noncompliance issues it has identified. The written decision will include corrective actions deemed necessary to correct noncompliance and documentation the district must provide to demonstrate that corrective action has been completed.
- All corrective actions must be completed within the timelines established by OSPI in the written decision unless OSPI grants an extension. If timely compliance is not achieved, OSPI may take action including but not limited to referring the district to appropriate state or federal agencies empowered to order compliance.

A complaint may be resolved at any time when, before the completion of the investigation, the district voluntarily agrees to resolve the complaint. OSPI may provide technical assistance and dispute resolution methods to resolve a complaint.

Level Four - Administrative Hearing

A complainant or school district that desires to appeal the written decision of the Office of the Superintendent of Public Instruction may file a written notice of appeal with OSPI within thirty (30) calendar days following the date of receipt of that office's written decision. OSPI will conduct a formal administrative hearing in conformance with the Administrative Procedures Act, Chapter 34.05, RCW.

Mediation

At any time during the complaint procedure set forth in WAC 392-190-065 through 392-190-075, a district may, at its own expense, offer mediation. The complainant and the district may agree to extend the complaint process deadlines in order to pursue mediation.

The purpose of mediation is to provide both the complainant and the district an opportunity to resolve disputes and reach a mutually acceptable agreement through the use of an impartial mediator. Mediation must be voluntary and requires the mutual agreement of both parties. It may be terminated by either party at any time during the mediation process. It may not be used to deny or delay a complainant's right to utilize the complaint procedures.

Mediation must be conducted by a qualified and impartial mediator who may not: 1) Be an employee of any school district, public charter school, or other public or private agency that is providing education related services to a student who is the subject of the complaint being mediated; or 2) Have a personal or professional conflict of interest. A mediator is not considered an employee of the district or charter school or other public or private agency solely because he or she serves as a mediator.

If the parties reach agreement through mediation, they may execute a legally binding agreement that sets forth the resolution and states that all discussions that occurred during the course of mediation will remain confidential and may not be used as evidence in any subsequent complaint, due process hearing or civil proceeding. The agreement must be signed by the complainant and a district representative who has authority to bind the district.

Training and Orientation

A fixed component of all district orientation sessions for staff, students and regular volunteers will introduce the elements of this policy. Staff will be provided information on recognizing and preventing sexual
