

## Transportation Summer Fun!

This is the time of year we update our routes, and move buses and stops as needed. Promoting students usually “roll up” to their new grade level in PowerSchools in late June. Then, we start our work. We may need to move stops, add buses to campuses, move stops to other buses so they’re not overloaded, and address other concerns.

We will have our Transportation Phone Bank open again as of July 14<sup>th</sup>. Feel free to call in to our team to get updated stop information. New students may not have a stop assigned yet, and we can help with that, after your school pre registers your student.

If you have moved – you are required to update your address at the campus, and it must reflect in PowerSchools - before we can assign your student to their new stop. Please be patient with your campus staff – K-8 school office staff do not work over the summer. They will get to your updates as soon as possible.

**Our phone bank will be open Monday – Friday**

**July 14<sup>th</sup> through July 30<sup>th</sup>**
