1. Aggregate amount available for homestead and farmstead real estate tax reduction. The following amounts are available for homestead and farmstead real estate tax reduction for the school year beginning July 1, 2025:

a. **Gambling tax funds.** The Pennsylvania Department of Education (PDE) has notified the School District that PDE will pay to the School District during the school year pursuant to Act 1, 53 P.S. § 6926.505(b), as a property tax reduction allocation funded by gambling tax funds, the amount of \$1,224,994.14.

2. Homestead/farmstead numbers. Pursuant to Act 50, 54 Pa. C.S. § 8584(i), and Act 1, 53 P.S. § 6926.341(g)(3), the County has provided the School District with a certified report listing approved homesteads and approved farmsteads as follows:

a. **Homestead property number.** The number of approved homesteads within the School District is 4,541.

b. **Farmstead property number.** The number of approved farmsteads within the School District is 0.

c. **Homestead/farmstead combined number.** Adding these numbers, the aggregate number of approved homesteads and approved farmsteads is 4,541.

3. Real estate tax reduction calculation. The school board has decided that the homestead exclusion amount and the farmstead exclusion amount shall be equal. Dividing the paragraph 1(a) aggregate amount available during the school year for real estate tax reduction of \$1,224,994.14 by the paragraph 2(c) aggregate number of approved homesteads and approved farmsteads of 4,541 the maximum real estate. tax reduction amount applicable to each approved homestead and to each approved farmstead is \$269.76.

4. Homestead exclusion calculation. Dividing the paragraph 3 maximum real estate tax reduction amount of \$269.76 by the School District real estate tax rate of 45.403, the maximum real estate assessed value reduction to be reflected on tax notices as a homestead exclusion for each approved homestead is \$5,941 and the maximum real estate assessed value reduction to be reflected on tax notices as a farmstead exclusion for each approved farmstead is \$0.00.

5. Homestead/Farmstead exclusion authorization – July 1 tax bills. The tax notice issued to the owner of each approved homestead within the School District shall reflect a homestead exclusion real estate assessed value reduction equal to the lesser of: (a) the County-established assessed value of the homestead, or (b) the paragraph 4 maximum real estate assessed value reduction of \$5,941. The tax notice issued to the owner of each approved farmstead within the School District shall reflect an additional farmstead exclusion real estate assessed value reduction equal to the lesser of: (a) the County-established assessed value of the farmstead, or (b) the paragraph 4 maximum real estate assessed value reduction of \$0.00. For purposes of this Resolution, “approved homestead” and “approved farmstead” shall mean homesteads and farmsteads listed in the report referred to in paragraph 2 above and received by the School District from the County Assessment Office on or before May 1 pursuant to Act 1, 53 P.S. §6926.341(g)(3), based on homestead/farmstead applications filed with the County Assessment Office on or before March 1. This paragraph 5 will apply to tax notices issued based on the initial tax duplicate used in issuing initial real estate tax notices for the school year, which will be issued on or promptly after July 1, and will not apply to interim real estate tax bills.
