The background features a dark, blurred image of financial data. It includes a line graph with white circular markers and a grey line, and a bar chart with orange bars. Some data points are highlighted with white circles. Numerical values like '183.102' and '154.178' are visible in a light blue font. A solid orange horizontal bar is at the bottom.

Data and Trends

4 SEL Trends in Quarter 1

Increase in frequency and intensity of behavior

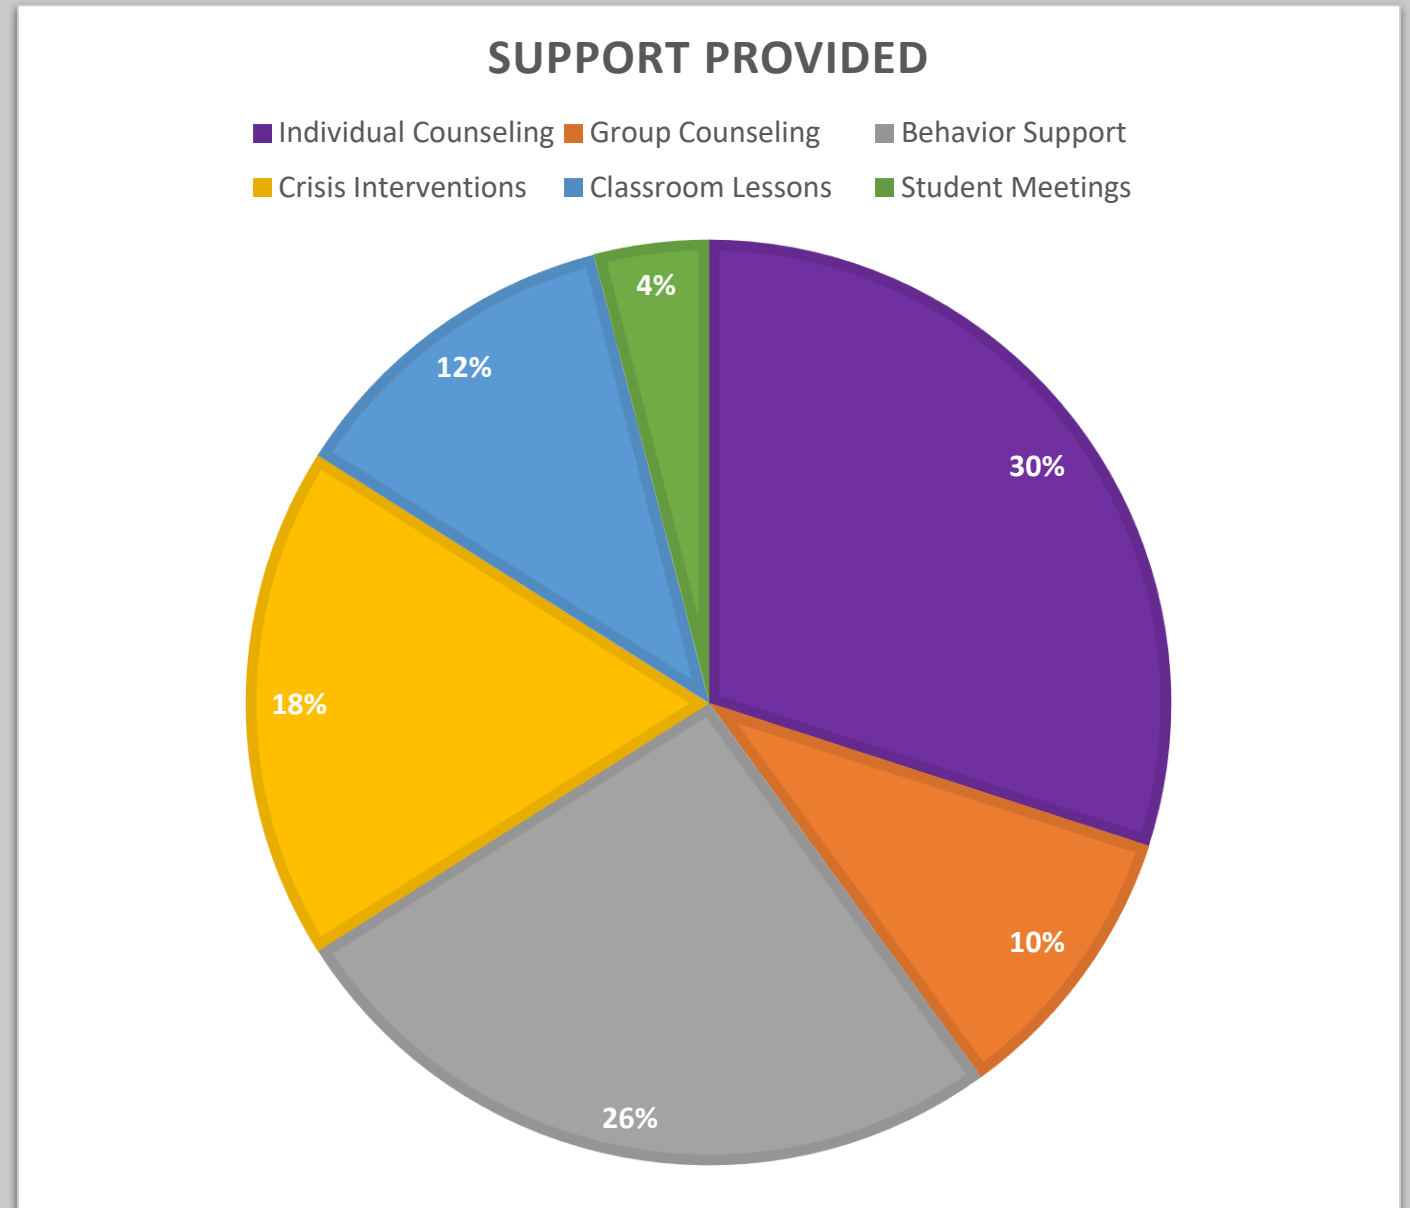

More students experiencing grief and loss

Higher rates of anxiety

Increase in suicide risk assessments

Quarter 1 Impact and Support

- 627 students served in group or individual counseling
- 531 crisis interventions provided

Partnerships

Elizabeth Hospice

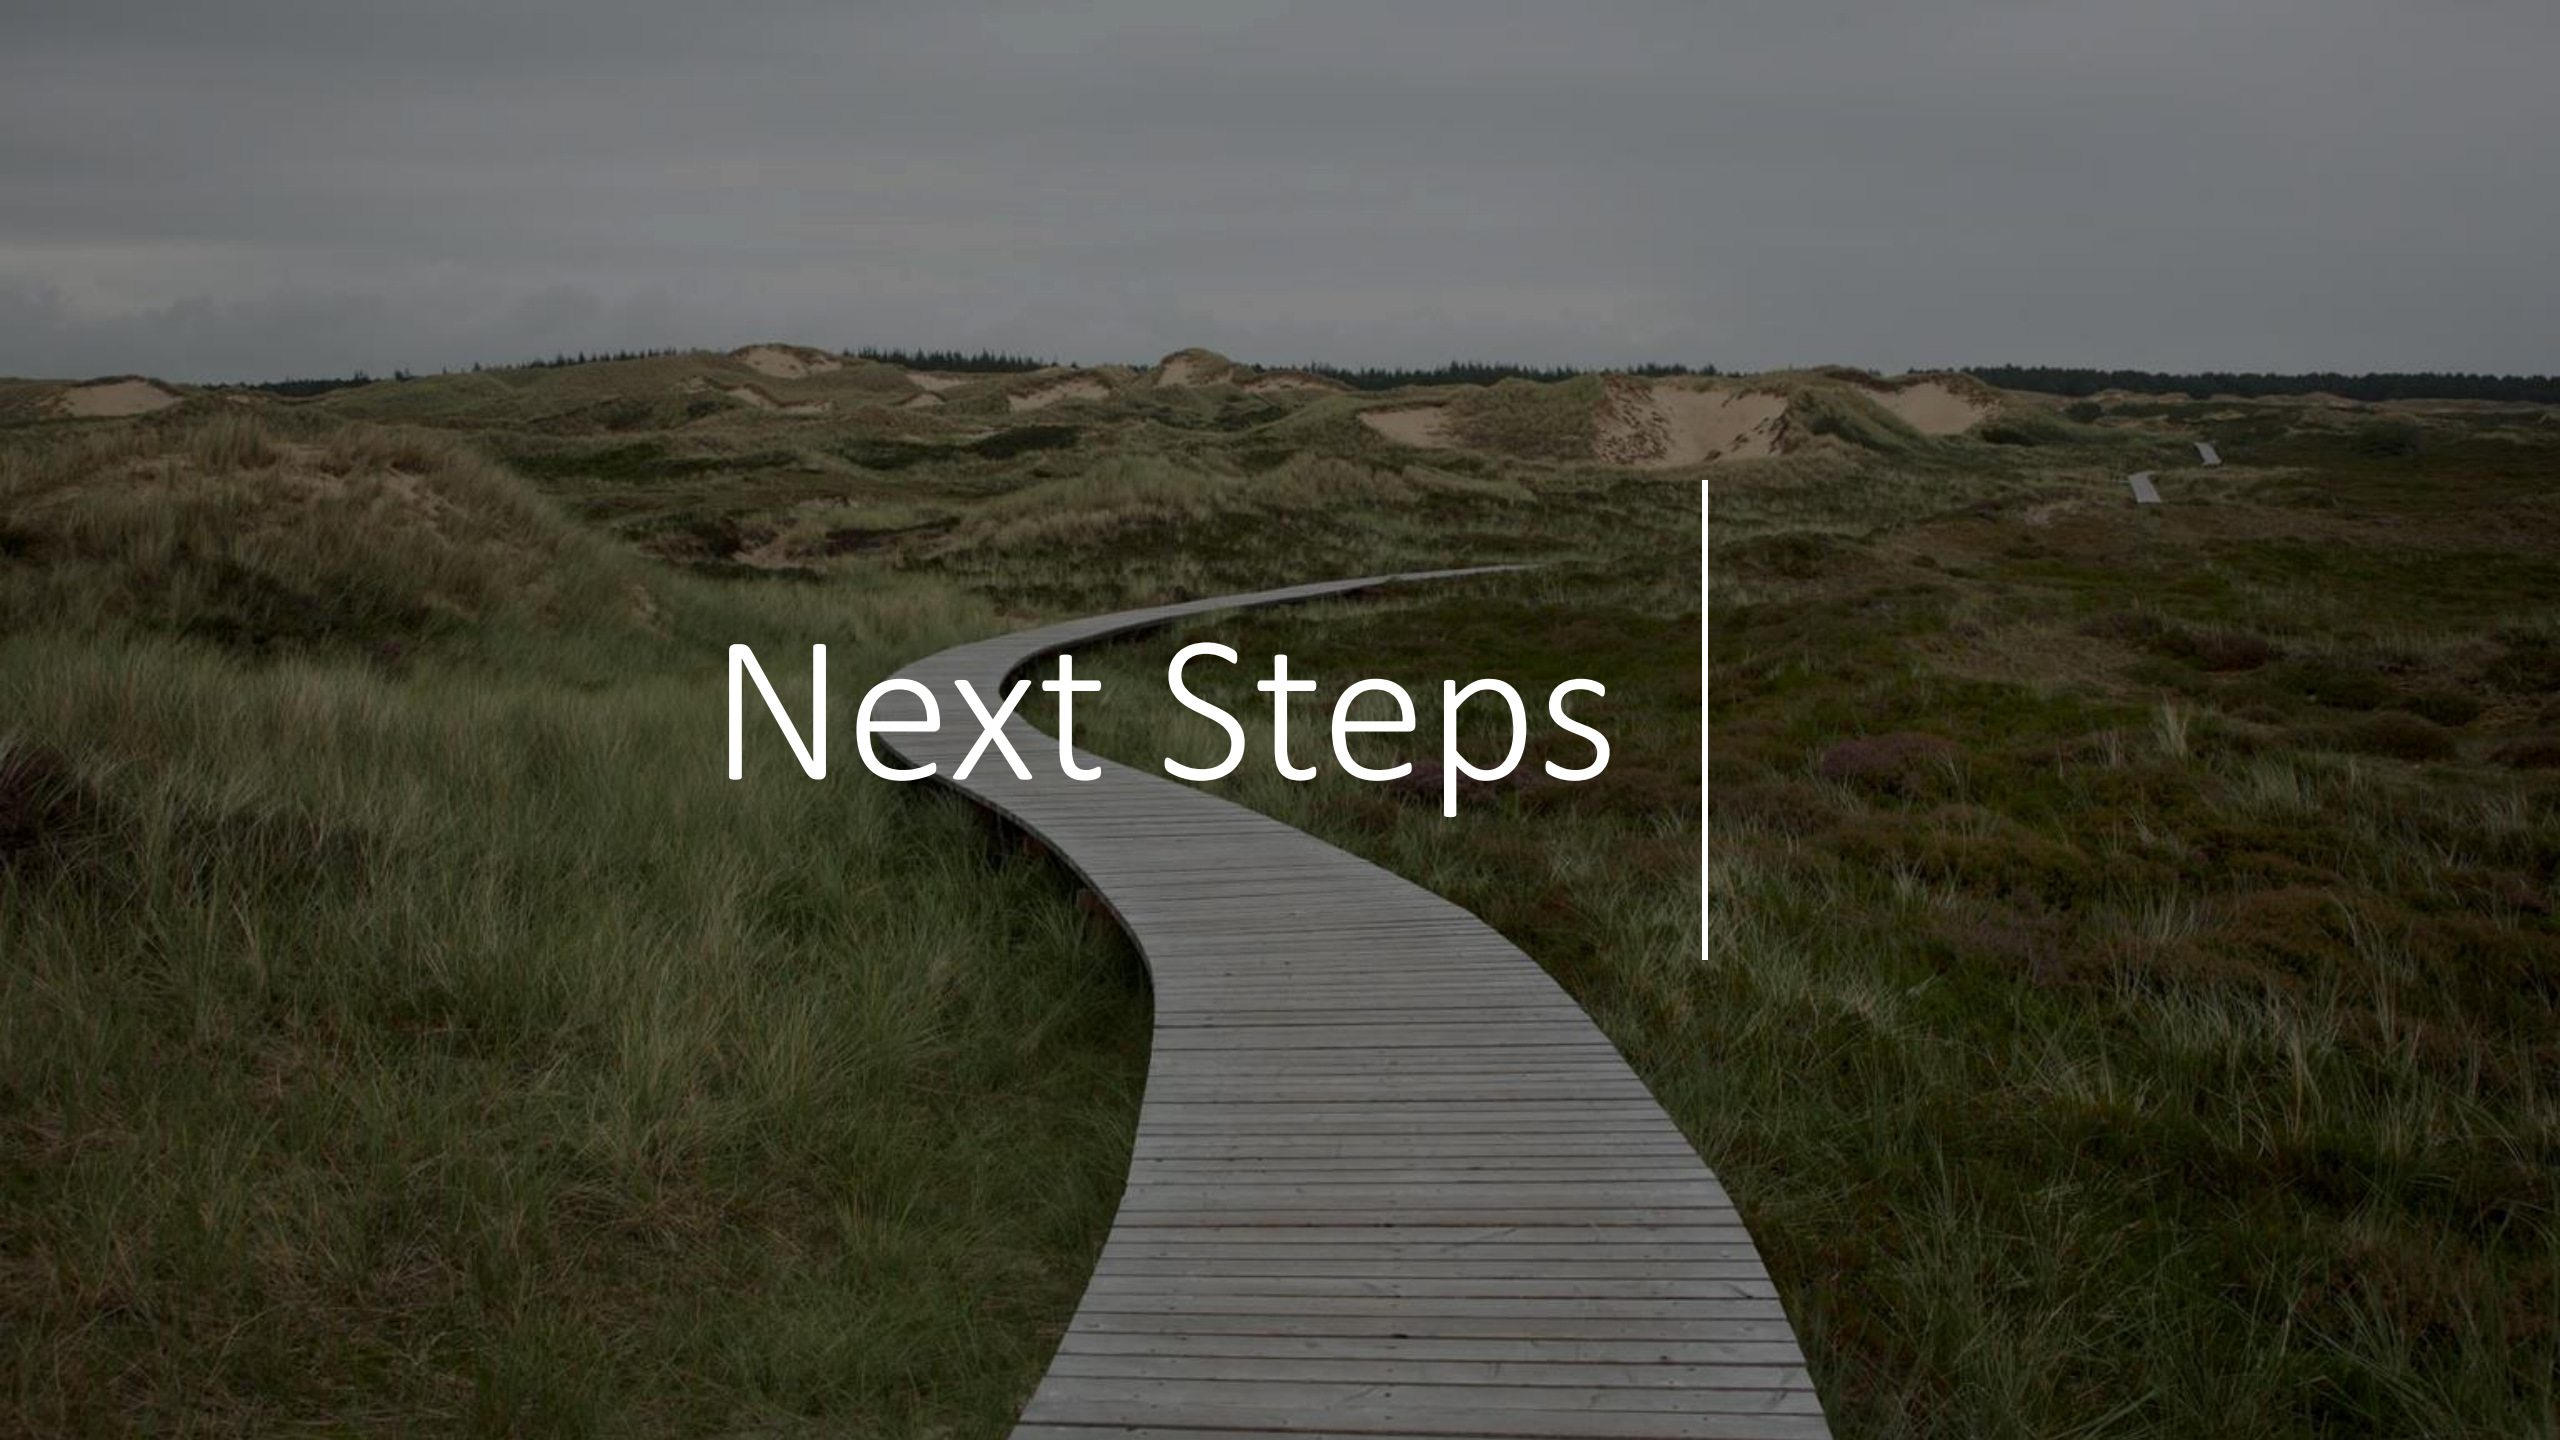

- Nonprofit group that provides medical and emotional support to children and adults faced with the challenges associated with life-limiting illness
- On campus grief support groups

School Link

- SBCS (formerly South Bay Community Services)
- 9 schools
- Individual and family therapy
- Psychiatric services

A wide-angle photograph of a coastal dune landscape. A wooden boardwalk, made of light-colored planks, curves from the bottom center towards the middle ground, leading the viewer's eye into the scene. The dunes are covered in dense, green and brown grasses. In the background, there are rolling dunes with patches of sand exposed. The sky is overcast with grey clouds. The overall mood is serene and contemplative.
