THOUGHTS
Integrity

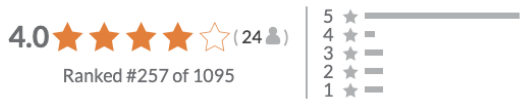

Honesty and integrity are important attributes for a board member. It doesn't seem to be present in this board. Please don't entertain another Sweetwater employee on this board. They have so many problems why would we want them on the Elementary board?
Community Member

Integrity We need a person who stands for what is right and isn't swayed by personal bias.
Parent/Guardian

We need someone with integrity. With integrity comes clarty in roles and functions and accountability will follow. *Parent/Guardian*

THOUGHTS
Transparency

The board member should be someone with great ethics and values. Parents and students trust authority figures and transparency is important. The board member should be someone the community trusts. *Parent/Guardian*

We need a board member that has legitimate desires to serve and improve student's lives and education, not just another power hungry person To ensure decisions are made in the best interest of students, with sound ethical and moral basis, free of pressure from interest groups. *Parent/Guardian*

CVESD needs a board member that is an independent thinker, not an extension of other interest groups (ie. labor unions) Board members need to make decisions with the best interest of students at heart, and not to please interest groups to promote their agenda. *Administrative/Non-Represented*

Someone with experience working in primary education who puts kids first. I think this board is too adult centered and really needs someone who has my child's best interest in mind when they make decisions. *Parent/Guardian*

IT SHOULD BE A PARENT NOT CONNECTED TO SWEETWATER OR THE UNION. We need a voice for students. STUDENTS FIRST! *Community Member*

Please keep politics out of the CVESD Board. We currently have too many Sweetwater people on the Board. That District is a mess, dont let them ruin CVESD. *Community Member*
