

Feaster Falcons Accelerate Middle School Dismissal Policy

Students from 6th grade to 8th grade participating in the comprehensive ELOP program at Feaster Charter School, Falcons Accelerate, can sign themselves (and only themselves) out of the Falcons Accelerate Program to walk home after completion of the afterschool club or activity. Consent for this must be explicitly indicated by the parent or guardian on the YMCA registration enrollment forms and signed for in writing through one of the YMCA Site Supervisors, along with the early release waiver form. For families with multiple students in the program, this does not extend to students who are 5th grade or below. 6th through 8th grade students may only sign themselves out. Siblings of elementary age must be signed out by an approved adult 18 or older. For more information on YMCA dismissal procedures, please refer to <https://www.ymcasd.org/programs/child-care/before-and-after-school/stretch-chula-vista-elementary-school-district>.
