1

Start your journey or plan your stay,
This friendly spot helps guide your way.
Maps and smiles are what you'll find,
The answer's near-don't get left behind!

2

In days gone by, and where teens still roam,
This was their school, their learning home.
Derby's first high school - full of pride,
The answer is where that past hides!

3

When the sun is blazing and you need to chill,
This place brings splashes, speed, and thrill.
Slides and waves, it's summer's delight,
Find the answer where water takes flight!

4

Quiet please, no need to shout -
Where stories live and knowledge sprouts.
Pages turn and minds take flight,
Find the answer where books sleep at night!

5

Flashing lights and hoses, too,
They rush to help when danger's due.
Brave and bold, they serve with pride,
The answer is where the engines hide!

6

They keep the peace both night and day,
Protecting all in every way.
Badges, cars, and uniforms blue -
The answer is where they serve you!

7

Students once learned in rooms of red brick,
And Derby's whole school fit in one pick.
Now stories are told from the past so grand,
Of classrooms, chalkboards, and marching band.
It's history's home with treasures to view-
Find this museum to answer this clue!

8

A place of rest, so calm and still,
Where stories sleep upon the hill.
With names and dates carved deep in stone,
The answer lies where you're not alone.

9

In a building where decisions are made,
City leaders' plans are laid.
Located on Mulberry's street,
It's where the city's heartbeats meet.
From council meetings to permits and more,
Visit here to explore what's in store.

10

Where doctors once swam to answer the call,
And wagons paid tolls so they wouldn't stall.
A rocky ford told travelers where to go,
Now a bridge stands where the river flows.
For stories of bridges and Derby's past spark,
Take a stroll through this riverside park!

11

From farm to Faith, this land has grown,
With roots of families widely known.
Where children learned and laughter rang,
Now concerts play and church bells sang.
For a legacy shaped by work and spark,
Go find the answer in this park!

12

Where prairie dreams met wagon wheels,
And the first to settle made their meals,
Near Spring Creek's flow and RED HORSE lane,
Their homestead roots still here remain.
Softball cheers now fill the air -
Find where Derby's start was fair!

13

These playful pals bring laughs and cheer,
They change their look throughout the year.
With bunny ears or Santa hats,
And sometime jerseys - imagine that!
Snap a photo, join the fun,
They're dressed for mischief in the sun.

14

With kites held high, they chase the breeze,
Their joy takes flight with childhood ease.
One of the first, their magic shows,
Where Nelson's path through *Ward Park* goes.
A tribute to dreams that touch the sky -
Find where the kites still date to fly!

15

They rush to danger, brave and true,
In coats of red and helmets too,
A tribute stands with glowing light,
To honor those who face the fight.
Find the heroes cast in bronze so bright,
At the place they guard both day and night.

16

With water flowing, joy is near,
This statue shows excitement clear!
Once moved from where the pumps would hum,
Now splashes rise - come join the fun!
At Rapids' gate, where cool streams thrum,
Find where the thrill of summer comes!

DERBY

17

He watches close, both calm and wise,
An eagle perched, sharp in the skies.
A tribute to a man who cared,
A healer, artist-memories shared.
By books and stories, take a look -
This silent scout's worth more than a book!

18

With silent strength and piercing stare,
This panther guards the corner there.
By Rock and Madison, calm and grand,
It's Derby's first by artist's hand.
A tribute cast from local pride-
Go find where this big cat hides!

19

She stands with grace, her gaze held high,
A tribute reaching toward the sky.
Once near Westview, now she stays,
Where cheering crowds watch softball plays.
In memory of a teacher true,
Seek "High Hopes" where dreams renew.

20

A traveler walks with steady pace,
Toward a dream or distant place.
South of the gazebo, calm and wide,
This statue marks where hopes abide.
A city's gift for all to see -
Step near and join the *Journey II*.

21

He's dressed to play, mid-swing with grace,
A golfing legend holds his place.
In memory of Oakie, Derby's pride,
Where Patriot and Buckner coincide.
If swings and fairways are your game,
This statue honors Oakie's name!

22

With tail held high, this deer takes flight,
A frozen leap, a graceful sight.
Near Derby Hills where young minds grow,
Down Tall Tree Road is where you go.
A gift for kids, both then and now -
Go find this buck, and take a bow!

23

She dips her toes without a care,
In water cool and summer air.
A peaceful spot where flowers grow,
And gentle breezes softly blow.
Find this girl in quiet delight,
At the circle where past takes flight.

24

He stands with pride, a flag held high,
A quiet strength beneath the sky.
Near names of those who served with grace,
He honors love that held the place.
At Garrett Park, where memories stay,
Find him and pause-give thanks today.

25

A boy and his pup in bronze you'll see,
A moment of friendship, calm and free.
Near fields of play where dogs run wild,
This statue shows love through a smiling child.
Find this pair where tails may bark -
They're waiting for you at this park!

26

Where giants roar and fossils hide,
And raptors lurk where trails wind wide.
Dig up fun and take your pick -
A T-Rex might be near, so think quick!
From golf to games and mazes tight,
This dino park's a prehistoric delight!

27

With stethoscope and knowing grin,
This doc says softly, "Come on in."
He honors one who served with grace,
A trusted guide in healing's place.
Where Rock and Patriot paths align,
Go find the doc-you're right on time!

28

They wander paths where wild things grow,
Through wooded trails they gently go.
A gift for kids, both then and now,
Beneath the trees, beside the bough.
Near Derby Hills where nature's good,
Go take a stroll *Through the Woods*.

29

One's just starting, the other's free,
Both on bikes, as happy as can be.
At Madison and Rock, they ride with cheer,
A first for Derby - so hold them near.
From training to freedom, they've made their
mark,
Find the duo that sparks a spark!

30

A playful pose, an invitation clear,
"Come join the fun!" the message here.
Once by the Rec, now near the swings,
This statue calls to those who bring
Their laughter, games, and happy sound -
At Garret Park, the joy's unbound!

31

A young boy's joy, a train in hand,
A tribute to a life well planned.
In memory of one who loved to steer,
Model trains through moments dear.
By Madison park, the tracks unfold,
find *Will with His Trains*, a story told.

32

With wings spread wide, this bird takes flight,
A symbol of freedom, bold and bright.
From K-15 to Garrett's green,
It soars above, a peaceful scene.
A gift for all, both young and old-
Find this statue, strong and bold!
