Tiger Family,

Can you believe there are only three weeks left in the school year? I'm so proud of our students and the hard work and growth I've seen from all of them. Let's make these last weeks count. Whether you're preparing for final exams, showcasing your talents, or wrapping up projects, remember that your effort matters.

Keep pushing forward—you've got this!

Attendance Information

Beginning Tuesday, May 6, students can recover attendance from **3:30 p.m. to 7:30 p.m.** each **Tuesday and Thursday** in the mini auditorium in addition to after school tutoring times. At this time, only 22 hours of attendance recovery is available in summer school.** Administrators and guidance counselors are meeting with students. ATTENDANCE INFORMATION

Earning Credit in Courses

- In order to receive credit for a semester course, a student cannot be absent for more than five unexcused or unverified days.
- In order to receive credit for a year-long course, a student cannot be absent for more than ten unexcused or unverified days. Students can complete attendance recovery to recover missed days.

Early Dismissals

- In order to expedite the early dismissal process, students must submit parent notes to the attendance office by 10 a.m. to be verified for early dismissal.
- If parent notes are not received by 10 a.m., the parent will have to report to the building for student dismissal.
- Once verified, students will receive an early dismissal slip from the attendance office so that they may leave at the scheduled dismissal time without class interruption.
- CHS will not allow parents to call into the attendance office or email the attendance clerks to release their student except in emergencies. **If it is an emergency, the parent will be required to speak with the grade-level administrator for approval.**

Parents should not plan for their child to be absent for three or more consecutive days of school without a medical excuse. There are no principal approved absences.

Lawful absences are considered medical, judicial, and bereavement. Documentation will need to be provided within three school days after the student returns for these absences to be lawful.

School disciplinary consequences will occur for any student who is tardy or leaves school without permission.

Administration cannot complete the required paperwork for obtaining a driver's license unless the student is in compliance with the SC Truancy Law.

Parents and students have access to attendance through PowerSchool. This is a helpful tool to keep up with grades, attendance and discipline.

Safety

Please discuss the importance of school safety with your students. The guidelines below should be adhered to at all times.

- All visitors must report to the main office.
- Students are not to open exterior doors for visitors.
- Students should never prop open an exterior door with objects or intentionally leave an exterior door ajar. Exterior doors should be pulled closed and locked at all times, except during transition.
- All safety drills are to be taken seriously. Students should conduct themselves in an orderly fashion and take direction from staff members.
- Along with the district, we have adopted the “I Love U Guys” Foundation’s Standard Response Protocol. The standard response protocol utilizes clear common language for emergency situations. It is important that students and staff familiarize themselves with this protocol. Our standard response protocol can be found [here](#) in English and [here](#) in Spanish. Please see copies of the protocol below.

Congratulations to CHS on 100 years of accreditation!

Conway High School is celebrating 100 years of continuous accreditation as a high school, joining the ranks of less than two dozen South Carolina high schools to achieve this milestone, according to the accrediting organization Cognia.

Cognia, a global nonprofit dedicated to advancing education, has been awarding accreditation for 125 years to institutions that meet rigorous standards focused on productive learning environments, equitable resource allocation, and effective leadership. Schools must undergo an external review to receive Cognia Accreditation, signifying adherence to Cognia Performance Standards and a commitment to continuous improvement.

Conway High was originally founded by Franklin Burroughs in 1877 as a private school, and it was named the Burroughs School after its founder for over 50 years. It became a public school in 1898, and its building now serves as the home of the Horry County Museum.

The Burroughs School eventually outgrew its building and needed a separate space for its high school students, so in 1930, the building that would come to be known as Conway High was built just a few blocks away on Laurel Street. Most of that original structure was demolished around 1988 and replaced by the current Conway Middle School.

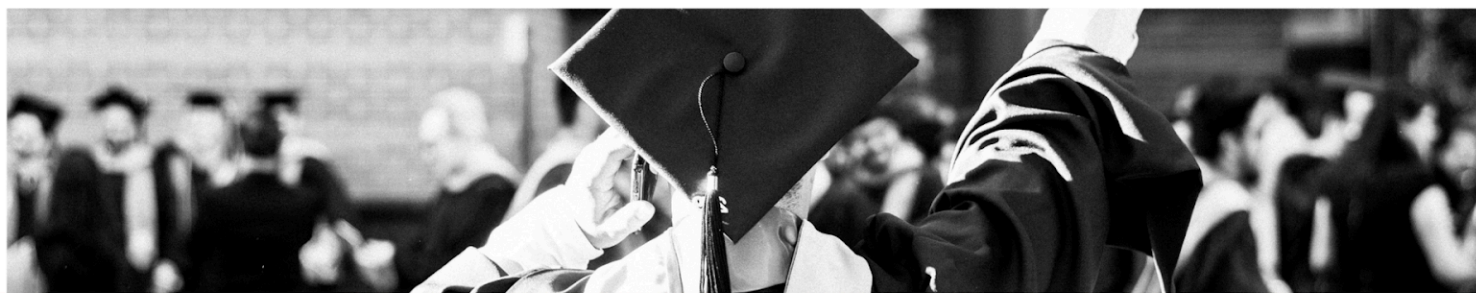

Conway High has served students at its current location on Church Street since 1979.
