A. Bylaws

Suggested we add option to join/vote remotely. Must be in attendance to vote. Motion made by Marc, seconded by Wendy.

Updated ByLaws: 🗉 sls bylaws

2020-2021 Annual Report Update and Vote

The 2020-2021 beginning balance did not match due to an \$800 CLRC Grant for AASL in the books 2019-2020. Rollover money was on the books. 2020-2021 report approved as amended, motion by Carole, seconded by Karen and Marc.

Professional Development Plan for the Year

More vendor presentations planned. Betsy and Sue LeBlanc will collaborate on PD with a focus on media literacy. Julie Smith will present at Vernon Downs 11/15. Project Look Sharp and Faith Rogow 12/15. Those wishing to participate in PLS for this 3 hour session are asked to also commit to 3-1 hour zoom follow up sessions. Possible book study on decoding media with "Teaching Students to Decode The World, or Media Literacy for Young Children.". 2/2 Patti Demma will present on Trauma Informed Care. 4/1 Heather Turner will present. 5/24 The Library Girl, Jennifer LaGuard, will present. PD funds will be used to pay these presenters. Also suggested to ask librarians to make short presentations on their own libraries to give suggestions for new ways to do things.

Superintendent's Conference Days for most 10/7 and 3/17 suggested to have Librarian to Librarian meetings, Court St.

Service Updates

Ric servicer and move it to the cloud and we will manage automation. Google SSO is working on students. Steve questioned the value of this and Betsy advised we have certified librarians on staff to support which the Ric does not provide. We need to have control at the automation level.

- Cider-SLS-Opals. Ric support for Opals is down to 2 staff. This puts the schools at the mercy of Ric server. This would not be an issue with the cloud. We could do this for about \$3500/year on an open platform instead of schools paying for server space.
- Special Client Group API was last year. LGBTQ was 2020. ELL may be a good focus for this year. We have good resources out there for this topic.
- Element 8 need to do a better job promoting CLRC and Mid-York. Marc and Betsy will collaborate on that.
- Element 9 Curriculum Development this year's goal is to write 7-8 standards.

Other

Review of different tool libraries have for borrowing such as tools in Ilion, cake pans, etc.

Info Literacy is now being built into the SUNY system. This will be live next year.

Motion to adjourn 3:31pm, Carole, Marc

Action Items

As previously mentioned in the minutes.
