Sidebar - Betsy is leaving at the end of this month for DCMO BOCES. She has been working on updating the Plan of Service for the next person to come in.

Plan of Service -

- Element 1 - resource sharing
 - Provide URL for CCD
 - Promote resource sharing
 - Enhance Union Catalog by working with Opals
 - Increase titles of ebooks
 - ILL - our region has the most ILL
 - EILL - very valuable service but usage decreasing
 - Digital Access Collection - Clinto has already integrated.
- Element 2 - Special Client Groups
 - AAPI was focus last year, this year is Native Americans (starting with Eric Gansworth at Leatherstocking)
- Element 3 - Professional Development and Training
 - Increase training at C3 meetings. Librarians want time with other librarians

- Expanding Professional Development in Ebooks—working in conjunction with Herkimer BOCES
- Element 4 - Consulting Development Services-providing resources to libraries
- Element 5 - Coordinated Services for Members
 - Collaborate with other libraries to enhance member services. Work with MidYork to provide greater access to collections on Overdrive.
 - VRL Meeting in March.
 - Digital content through SSO
- Element 6 - Awareness and Advocacy
 - Work to promote media literacy curriculum (K-6 lessons)
 - Working with our School Comm to promote the value of the library.
- Element 7 - Communication Among Members
 - Connecting with new librarians
 - Info on MEdia Literacy Lesson is on Buzz—would be better on the Web

In closing - Betsy did mention banned books and book challenges. Informed we had answered a local Curriculum Director who called questioning access on Cider for downloads. We advised that nothing on Cider is downloadable. Just putting this out to the council as did this individual really mean Overdrive? Membership gave a thank you card to Betsy in appreciation of her hard work with well wished for her next adventure.

Meeting adjourned, by Carol, seconded, by Marc, 3:09pm.
